## HATONN FRIDAY

David Duke and other distractors. Do you not think the Party Politics are protesting too loudly about one, Duke, who disagrees with the politics which is depriving American people of America? Come, come, little chelas, the reason the politicians and "Israel-First" have such objection to Duke has not one thing to do with KKK or Blacks. I can promise you that the young man did a most foolish thing as a youngster but he is NOT AGAINST BLACKS as is presented in the press, media and on Capitol Hill. He is against a system which destroyed your nation and has put foreign interests and criminal banking activities, political criminal activities, etc., uppermost in all decisions and actions. Do I sanction David Duke? No--I "sanction" no politician--I am interested in getting Truth to the masses, providing safe passage for God's people and restoration of God's nation under a well-intentioned Constitution. The United States of America and, for that matter, Canada included, was originally God's chosen land. He already recognized those "HUMANS" (GOD'S NAME FOR THE TRIBES OF NATIVES ALREADY PRESENT) and HIS people who would be given to settle the Americas, as HIS "CHOSEN". It had nothing to do with a country which would be stolen in Palestine and called Israel--not a place which would harbor and then bear, to the top of the Elite stations, criminals against God and Creation. YOU allowed that to happen. YOU allowed the enemy to come within and, just as with termites, they have eaten at the very fiber and heart of your nation and people.

The point of one such as David Duke is to watch that which the politicians and political "Parties" do and say--if they are against him, he must be "doing SOMETHING RIGHT!

By the way, he is not in favor of homosexual activities and really doesn't "dig" abortions--this, of course, must make him a heinous bigot. He claims neither to be against sexual preference, as such, nor women.

## AIDS plague in Africa

Against Blacks? It wouldn't seem such since I have to remind you who and how AIDS got started--Remember? Blacks--to destroy the population of Blacks in Africa.

In 1969 (3 years before the World Health Organization's request) the United States Defense Department requested and got \$10 million to make the AIDS virus in lab(s) as a political/ethnic weapon to be used **mainly against Blacks**. The feasibility program and lab(s) were to have been completed by 1974-75), the virus between 1974-79. The World Health Organization started to inject AIDS-laced smallpox vaccine (Vaccina) into over 100 million Africans (population reduction) in 1977. And over 2000 young white male homosexuals (Trojan horse?) in 1978 with the hepatitis

B vaccine through the Centers for Disease Control-New York Blood Center. And now the AIDS virus is on the streets IN THE DRUGS AND APPARATUS FOR DRUG USE.

In September of 1990 (26th) an article ran in the *Los Angeles Times: AIDS TAKING HEAVY TOLL OF CHILDREN; Acquired immune deficiency syndrome is striking many more children than previously thought, the World Health Organization reported. The U.N. agency said in Geneva that the HIV virus that causes AIDS will probably infect 10 million CHILDREN by the year 2000. Already about 400,000 cases, or a third of the 1.2 million estimated cases of AIDS worldwide to date, are believed to have occurred in children under age 5.*

You know that you do not get correct figures and quite frankly at the rate of spread and the capability of spread through spittle, respirations, etc., it is likely that, unchecked, EVERY MAN, WOMAN AND CHILD IN THE U.S. WILL BE TOUCHED BY THE HIV PLAGUE BY YEAR 2000.

Oh, I see, you think I jest? You think that AIDS was not even recognized or known in the early '70's? Think again. Go to the United States Senate Library and obtain a copy of the DEPARTMENT OF DEFENSE APPROPRIATIONS FOR 1970, Appendix D: AIDS. It covers the United States HEARINGS before a Subcommittee of the Committee on Appropriations, House of Representatives, Ninety-First Congress, First Session. Pay particular attention to PART 5: RESEARCH, DEVELOPMENT, TEST, AND EVALUATION. Department of the Army, Statement of Director, Advanced Research Project Agency and Statement of Director, Defense Research and Engineering. This will come from the U.S. Government Printing Office, Washington (1969). It goes just like the paragraph above regarding the allocation of \$10 million to create AIDS!

Now, back to the children! Is it an accident? Well, are you to believe that the 400,000 children referred to above are practicing homosexuals or IV drug users? Or that about 400,000 (1/3) of their mothers transmit the disease? Or is it more likely that they are neither part of the high-risk group nor born of mothers with AIDS (Meaning, of course, that 1/3 babes + 1/3 moms = 2/3 of total AIDS population...No one is making this claim!) These data, if valid, come close to proving that AIDS is transmissible by casual contact and/or insects--**and/or deliberately through immunization programs!**

## The Pope's connection to Germany

I am now going to undoubtedly create enemies in two factions at the very least. Truth has no monopoly on where it strikes. It is time that you ones of the LIE--come out from under the bed for its time to get up.

The *New York Times* ran an article on December 1, 1989: *U.S. President Bush and Soviet President Gorbachev arrived yesterday on this Mediterranean island for a summit conference beginning today during which both hope to start the search for a New World Order.*

Father Ed, I'm sorry. You inquired regarding the "Pope" in the last meeting but it was not appropriate to open this can of worms at the time for we had spent many hours and this would require many more to unravel.

Ones have a tendency to become worshipper of ones who are set up as leaders. If you worship a leader, you then no longer have the ability to recognize when you have been deceived. Pay careful attention to this point as we discuss brainwashing and mind-control. This is WHY the Master Emmanuel pleaded with the people not to worship HIM but, rather, the Father Creator. Even then he used not the terms "worship" for "worship" is not appropriate in any sense--the term is "respect"/"revere" with total "Love".

## **BUSH AND NAZI WAR** **CRIMINALS**

Why would Bush make such a big thing of "forgiving" Nazi war criminals? Well, he knows that the ones who work and control your Congress, for instance, are among the Nazi war criminals. They are the Khazarian instigators who worked to annihilate the Hebrew Judaists. I will get to that subject in just a minute for it DOES involve that one you call "the Pope".

You should be aware right now that Hitler and his entire staff were Catholic. Did you realize that the Nazis were semi-practitioners of the New Age Occult? Perhaps you should see that the *New York Times* (That Elite Newspaper) on April 14, 1990, quoted George Bush as stating, "Let's forgive the Nazi war criminals." This is that good old guy whose father and himself were such good club members of Yale's Skull and Bones Society. Now what do you suppose the *Los Angeles Times* (one of the other Elite Newspapers) said on December 12, 1984 as a quote from Pope John Paul II as saying: "*Don't go to God for forgiveness of sins, come to me.*" Do you realize that this could be a fulfilling action of the prophecy according to the book of Revelation? In this the Pope is somehow indicating to you-the-people that HE IS GOD, in words of the same meaning. Would this not indicate that the Pope committed blasphemy, thus fulfilling that prophecy??? Does this have anything to do with anything? From a totally disinformation journal (both), I would not place much stock in the information. But you had best pay great attention because it IS part and parcel of the overall plan.

Let us now look at CONNECTIONS and see if there are not some hanky-panky in the woodpile, perhaps. Note that always the dear old Pope has always been good, well known and appropriately accepted. You had a VERY STRANGE thing take place with the election of a POLISH POPE. What might this mean? Let me share a rumor with you--for "Inquiring Minds who Want to Know".

In the early 1940's, the I.G. Farben Chemical Company (yes, same old one) employed a Polish salesman who sold cyanide to the Nazis for use in Auschwitz. The same salesman also worked as a chemist in the manufacture of the poison gas. This same cyanide gas along with Zyklon B and malathion was used to kill all those nice Jews and other selected groups. No, I never said the Holocaust did not take place--I said it **"WAS NOT AS YOU HAVE BEEN LED TO BELIEVE IT TO BE."** After death the bodies were burned to ashes so as to destroy evidence. It was quite appropriate to mask the deaths in this manner for there was rampant death and disease in the camps and bodies had to be destroyed quickly--cremation being the most expeditious

and allowing for all sorts of other crimes to be covered. This is sort of like killing all those nice Jonestown residents so you could ship into the U.S. your own soldiers killed in Guyana without anyone suspecting there had been a military operation. Control of the media and press is a wondrous shield from Truth.

Now the story gets interesting, if you enjoy intrigue and speculation--you know, you James Bond addicts! After the war that salesman, fearing for his life, joined the Catholic Church and was ordained a priest in 1946. One of his closest friends was Dr. Wolf Szmuness, the mastermind behind the November, 1978 to October, 1979 and March, 1980 to October, 1981 experimental hepatitis B vaccine trials conducted by the Center for Disease Control in New York, San Francisco and four other American cities that loosed the plague of AIDS upon the American people. The salesman was **ordained Poland's youngest bishop in 1958. AFTER A 30-DAY REIGN HIS PREDECESSOR WAS ASSASSINATED AND YOUR EX-CYANIDE GAS SALESMAN ASSUMED THE PAPACY AS POPE JOHN PAUL II.**

## **New World Odor?**

It would seem to me, by simple deductive logic, that this is the right time for movement--with the right leaders--to make a thrust for the New World Order. The unholy alliance is made up of an ex-chief of the Soviet secret police Mikhail Gorbachev, ex-chief of the CIA George Bush and ex-Nazi cyanide gas salesman Pope John Paul II. THE FACTS ARE ALL THERE FOR THE READING. I do not pick the facts from thin air, chelas, to give you indigestion and restless, sleepless nights. You can look up all this information for it is well documented if you but bother to get it.

I could, and have, gone on and on for some eight thousand pages in unraveling this type of information.

I cannot take "time" to repeat and repeat--you are going to have to take some responsibility for self and you are about out of time to do anything except wait to die.

The only thing allowed the U.S. in space of any value is the Elite Computer System sent at your expense and nerve-tingling episodes of shuttle and rocket satellite launching. The Soviets take out all defense satellites but you have now just about totally finished the "linking up" of the tracking satellites. These satellites track every man, woman and child for the Elite masters. When the systems are allowed to go totally functional, this New World Order and Controllers will have every one of you tagged and identified with a radio signal microchip implantation. Children will get them through immunizations and other medical tests, adults will get them in the same manner but it will come through programs such as "mandatory blood testing", AIDS vaccines, etc. When AIDS is affecting every citizen--you WILL line up for a vaccine which will "just happen" on the scene. Oh yes, you WILL participate! So be it. I do not wish to speak longer of these matters in this writing. Your world of economy is teetering on total disaster and much upheaval is upon you this day. When will it happen? Exactly when it will bene-fit the top dogs the most--YOU will not be part of the considerations other than as to impact the overall. Bushlips lies to you as \_the well programmed synthetic human he is. He does it very convincingly--no one ever said the "adversary" is a cheap-shot manipulator--HE IS THE **BEST**. Worse, in this game of survival--YOU haven't been allowed to know the rules and now that we bring them to you--you simply denounce and effort to kill the rule-bringers. So be it for you

will take heed or not--it is totally up to you. The facts are slipping out, however, in every direction you look--if you but look.

Let us continue now on the subject of Brainwashing and Mind-Control in the good old U.S.A. It has been as effective as any thrust ever perpetrated against people. The type of "force" as practiced by ones such as the Soviet police, etc., comes later to KEEP you in control for the game will be over.

## Mass media has control over us

There is no intention for wondrous, peaceful integration within Germany, etc. There is an all out push to cause literal war between Austria and Germany and to drive a fearsome wedge between Germany and Russia. I suggest you pay attention to what THEY DO NOT TELL YOU.

I am so torn in having to leave the massive piles of information un-given. There are a myriad of sub-jects pleading to be shared and we would fill three papers a day to give them all and you would miss them because of inability to read it all. I will, however, try to make room for a discussion regarding the Ninth and Tenth Amendments to your Constitution which are totally "forgotten". You have been deprived of every one of your Bill of Rights and you don't yet seem to know it--unless of course, you happen to be waking up and become the "victim" of the adversary Khazarian drive to have the world.

By the way, does any one note that ones such as the Jewish Anti-Defamation League, who have just shut down open use of "Prodigy" billboards, etc., because of "anti-Semitism", deny being Khazarian? But the minute one uses the term Khazarian-- "they" shout "anti-Semite". Does it strike you that something is amiss in the attack upon the people and freedom of speech? They demand freedom of speech for selves and yet if you state that you believe "Israel is the cause of the trouble in the Middle East" and post it through Prodigy computer games, the companies such as IBM and Sears are caused to change the rules and disallow such terms? Who is this group of Khazarian guards who deprive you of every American "RIGHT" under your Constitution? You not only allow it--you hop in and scream for their "right" to slay your freedoms.

### MONOPOLY OF MASS MEDIA

"The nearly complete monopoly of mass communications is generally agreed to be one of the most striking characteristics of totalitarian dictatorships," writes President Carter's National Security Adviser **Zbigniew Brzezinski** in his book *Totalitarian Dictatorship and Autocracy*. Now here, if ever there was an authority on the subject, it IS Brzezinski and you had better hear what he says on the subject for HE IS ONE OF YOUR ENEMIES!

The motion picture industry is a prime example of the tendency to-ward concentration of ownership in the communications media. From its beginning, the film industry has been characterized by repeated at-tempts at domination by a small number of companies that tradition-ally have tried either to exclude others from the business or to deprive competitors of resources. Dominance in the American market is carried

abroad by the major companies and has cultural, social and political consequences. The desire for American goods in other countries was created by American films. After World War II, the film industry and the government worked together for world-wide distribution to create markets for American goods. U.S.-made films account for the half the box office receipts in France and more in England, Germany and elsewhere. Eddie Murphy was "actor of the year" for the Paris daily *Le matin*. Michael Jackson was top singer. European radios play up to eighty percent American music. Each week American "heroes" such as Magnum, the Harts, Charlie's Angels, etc., are spread across the screens of TV's from Paris to Athens. In Iceland "Soap" was the top show of 1983. American novelist **Paul Theroux states: "We have colonized their subconscious, hypnotically programming large populations, especially in economically underdeveloped nations-- with such as Dallas, Dynasty and other affluent, abnormal productions."**

This hypnotic programming causes anxiety and resentment which is directed not only to their government but to the U.S. as well. Many countries are rebelling against this cultural invasion by the American media and the destruction of values which are felt to be base and unacceptable. It becomes a total contradiction and Alfred Mechter-sheimer of the Institute for Peace Politics near Munich says it pretty well: *"At U.S. bases in Germany, people protest missiles while wearing Coca-Cola T-shirts."*

You say, Hatonn is again picking on the "Jews". How dare you accuse me of such a thing. I am accused of being "anti-Semitic" which is totally impossible to accomplish in any case at all--for these so-called self-styled "Jews" ARE NOT SEMITES! If I were truly anti-Semitic I would be against myself and my own workers--hardly likely! Neither would I be quoting and utilizing material from ones such as in this very instance: Steven Jacobson, Benjamin Freedman, Goldberg, etc.--or have those ceased to be ethnic names as well? **It** is NOT we who need to attend our information!

## **LET'S LOOK BACK A BIT**

The 1940 Republican Presidential candidate Wendell L. Willkie was chairman of the board of Twentieth Century-Fox Film Corp. in 1942. William P. Rogers, Secretary of State during the Nixon administration, was on the board of directors of Twentieth Century-Fox before Denver oil tycoon Marvin Davis bought the film company for \$722 million in June 1981. Former President Gerald R. Ford and HENRY KISSINGER have both been on the board of directors of Twentieth Century-Fox and they are currently consultants to the film company. In 1982, Henry Kissinger became consultant for ABC News and was a consultant for NBC in 1977. Former Vice President Walter F. Mondale was a member of the board of directors of Columbia Pictures Industries before the Atlanta-based Coca-Cola Company bought Columbia Pictures in June 1982 for \$751.6 million. And former Secretary of State Alexander M. Haig, Jr. is on the board of directors of MGM/UA Entertainment Company.

Well, so goes all the inside help--just remember something: ***GOD IS CHAIRMAN OF THE BOARD OF THE PHOENIX MATERIAL AND SHALL CONTINUE TO SIT IN CHARGE RIGHT THROUGH THE MOTION PICTURE CORPORATIONS AND TELEVISION NETWORKS ESTABLISHED BEFORE WE FINISH THIS GAME. IT ONLY APPEARS THAT WE ARE GREATLY BEHIND! WE MUST BE DOING SOMETHING RIGHT FOR THE ATTEMPTS TO STOP US ARE CONSTANT, HEINOUS AND FROM EVERY DIRECTION.***

As we move to get ones which we support to get that Constitutional Law Center going, we are going to begin to make massive impact and glean great attention. **You should also come to know that we can play their own games quite effectively as well as we have already set up "THE COURT OF LAST RESORT"!** Does anyone remember that from the old wondrous radio days and Erle Stanley Gardner?? So be it. **WE HEREIN, RIGHT NOW, ASK ALL MISTREATED JUDGES AND LAWYERS UNCONSTITUTIONALLY DISBARRED TO COME PLAY WITH US FOR OUR FULL INTENT IS TO MAKE LIFE QUITE MISERABLE FOR THE THIEVES OF CONSTITUTIONAL RIGHTS OF THE AMERICAN PEOPLE.** IT IS TIME TO TAKE A STAND FOR YOU ARE FAST GOING DOWN FOR THE FINAL COUNT. These brave brothers need help and they need funding but you can regain your judicial system of JUSTICE if you attend this NOW.

We have no evangelical movement going on here. We come as the Hosts of God and have no interest in starting any more 'churches' with any further "doctrines". It is time man learn Truth and do that which he will do, with it. We are continually knocked about, despised and denounced for some one or another thing which CAN HAVE NO REASON IN FACT--WE COME TO BRING TRUTH, GIVE ASSISTANCE AND PAT YOU ON THE BACK IF YOU MOVE TOWARD GOD. THOSE WHO TRY TO LUMP US WITHIN THE NEW AGE GROUPIES OR ANY RELIGION--CANNOT! WE HAVE NO INTEREST IN YOUR "RELIGIONS" FOR ALMOST ALL TEACH THE TAMPERED TEACHINGS PUT FORTH TO MISLEAD YOU DEEPER INTO THE LIE. IF YOU CAN SERVE GOD AND A CHURCH FOR SOCIAL INTEGRATION AND SHARING--DO SO, BUT DO IT FOR THE REASON JUST STATED--SOCIAL COMRADESHIP--DO NOT CONTINUE TO PRONOUNCE IT OF GOD UNLESS EVERY COMMANDMENT FROM SEX TO MONEY IS TAUGHT ALONG WITH ALL BALANCED AND HARMONIOUS INTEGRATION OF THE LAWS OF THE CREATION. IF THESE RULES BE ALTERED TO SERVE "MAN" IN ANY MANNER--THEY ARE NOT OF GOD'S DOING. GOD GAVE THE LAWS IN THE FIRST PLACE; HE MOST SURELY WOULD NOT CHANGE THEM TO EVIL END TO MAKE IT HANDY FOR YOU TO SOOTHE YOUR GUILTY CONSCIENCES. WHEN YOUR CONSCIENCE PRODS YOU INTO GUILT--YOU HAD BEST LOOK TO SEE IF PERHAPS GOD IS NUDGING AND NOT THE MANIPULATORS--FOR THAT CONSCIENCE REPRESENTS THE NUDGINGS OF GOD-SELF.

Ones go to any and all great lengths to denounce us--even unto leasing media time and having mass programs to keep our speakers off the air. Strange about such assault to silence--it can only mean that the message we bring is TRUTH and will PUT THEM OUT OF BUSINESS. TAKE NOTE AND REASON AND I BELIEVE YOU WILL FIND THIS TO BE TRUE.

There is only one reward for serving God in this place--peace within in knowledge of having served honorably. There are no riches, no fame--Dharma has nothing, no income and hardly anyone even knows her name. So if it be not for fame among humans--is it not possible there is value in the message? I would leave this writing so that you might ponder upon this idea before moving on with the subject at hand.

Hatonn to clear. Dharma, take only a short respite please for I need to write more this day. We have interviews tomorrow and I would sit for a personal conference tomorrow if that is the desire of the others. Thank you.

# Criminal "justice"

**10/25/91 #2 HATONN**

As we were finishing the last writing, there was talk of those we are involved in giving assistance in their time of incarceration under trumped-up charges, among whom is Jonathan May, and others we have written at length about. (This is quite amusing in the face of those things written about our work, from ones in Sedona, AZ and denouncement of our mentioning or not mentioning, for instance, Jonathan May as we have moved along here. Perhaps ones should investigate things far more carefully before opening the lower face?) As the discussion went along, Dharma's request was that one, Bill Benson, be placed nearer the top of the list for attention and help. Bill has been framed and incarcerated for income-tax evasion. Well, dear ones, to you who don't yet know, Bill has been released from prison—just short of his parole date. The injustice system held him as long as they could get away with it. Don't leave your brothers to die at their hands--get together and DO something for this is all that saved Bill. We must not allow this to continue with Jonathan for he was put away for some months and has been incarcerated for about seven years. He can do nothing in his own behalf from "inside" as he told you--it requires push from you who yet remain free. At any rate Bill has just recently been released as you will be hearing so that need is not so pressing. Thank you. As example to that which they can do to you, I suggest you all take note that this man went, into prison a healthy, virile man--he has been released in broken health, wheelchair bound. You are up against the "Evil Empire" and I can't urge you enough--be cautious.

## **Savings and loans and other horror stories**

You are going to find as the reports come back regarding the S&L case and cover-up involved in this local case of this property--that Tehachapi is going to turn out to be one of the most corrupt areas involved. Scary? I hope so--so that you pay attention to all warnings. This is going to involve every politician involved in real estate, including Cranston, the "Duke" (governor), etc., just as I said. This is why the frame-up of witnesses and stories against you. They won't quit and they will do anything to keep evidence out of the court. You will have to move this to Federal Court before it is final, so be prepared and don't get caught short. They are setting up Horn and Berg to "take the fall" whether Horn and Berg like it or not--I remind you that you must have compassion for ones who are so steeped in tragic subterfuge. They "thought" the "deal" looked good and they couldn't "lose". When it comes to "who will get hooked and go for the fall" it will NEVER be the instigators of the criminal plan. If the wearer of the criminal shoe fits, however, let it be him who wears it--compassion or not. The "Big Boys" are already after Horn so if he reads this, he had best take warning. He is set-up. Worse, for him, it is NOT the Ekker case which is doing it to him.

In another case of similar nature--a woman was required to sign documents--AT GUNPOINT! I would say there has been a lot of "stuff" hitting the fan since Antelope

Valley, Kern County and Tehachapi were among the hardest hit areas by Santa Barbara Savings and Loan in conjunction with law firms, local politicians, judges, etc. It should become more reasonable to note that the most sensitive documents which would prove your case were REMOVED FROM THE FILES--YOU EVEN CAUGHT HORN DOING EXACTLY THAT--IN A COURTROOM YET. TAPES WHICH WOULD PROVE YOU WERE SLANDERED BY THE JUDGE AND LAWYER CONVENIENTLY WERE MISSING--ALL THREE COPIES. Be relieved, precious, even the ones who are leaving SBS are stating that they are being "laid off" or replaced because SBS was "...taken over by the B of A, the mafia and the government crooks through the RTC". Don't go to sleep, chelas, but be a bit relieved that you are not the only assassin's targets. You are simply a little homeowner who can be "settled with" when it gets to the dirty strokes--there are other instances where billions are at stake. Horn is involved in some of those, too. You just represent his high-rent district living funds and a major part of his retirement program.

Will you have a police force later that will enforce such behavior against the citizens? Indeed, indeed for the brainwashing is incredible in the police academy, armed forces training camps, and things like burying 12,000 troops in trenches in the Gulf War shows that they were tested through heinous orders and fire--and they performed each evil task with pride and honor, even unto bombing directly, women and children. Moreover, they served, killed and came home "HEROES to bowing throngs and waving flags. These squads are hard, trained in cruelty and created specifically to disarm the population and get rid of trouble makers.

**THE GULF WAR WAS A TESTING GROUND TO SEE HOW AND IF YOU WOULD STOP THE MADNESS AND SURELY ENOUGH, YOU DID NOT DO SO. THEREFORE, YOU CAN EXPECT THE NEXT TO BE PURE OUTLAY FROM HELL.**

This is why I remind you that we take no random nor violent action of any type whatsoever. You ones obey all "laws" as shoved on you even if they be unlawful--but do not sit still for unconstitutional violations which are sent against you in any measure. Do not have guns nor any banned substances to be found. Keep the property out of your names at all times so that confiscation is stupid on their parts for they frame ones without thought and giggle about it in Sunday Services at the local church. The unlawful acts become totally "legal" as the guns are thrust in your face with the force of control behind the mobster gun-holders. I support "action" not "reaction" nor "act-out". Defense is one thing--to act in violence against another is not of God.

Why would "they" do this sort of thing to "homeowners"? Because the outrageous elevations above and beyond the totally absurd pricing of homes and property in California, as a for instance, are due to a routine called "flipping" wherein insiders bought and sold inside and the prices of individual pieces of property were totally out of all reason or excuse. Billions upon billions of dollars have been stolen in the process--now YOU-THE-PEOPLE AND TAXPAYERS are taking the blow while the perpetrators walk away with the billions of dollars while gleaning even more through the heinous actions of the Resolution Trust Corporation. You must note that A. Cranston didn't even have to stand hearings on the S&L participation and HE HAD AND HAS—MAJOR PARTICIPATION. He was protected by those "higher up" who are just as involved--all the way to the Presidency, advisors, etc. THAT WAS TO PREVENT THE LID BLOWING OFF IN CALIFORNIA OVER SANTA BARBARA SAVINGS AND THE

LIKE. What was the excuse given you for Cranston's being excused from the hearings? A prostate tumor? How convenient!! Funny thing--I didn't realize one's brains or decision-making for criminal activities was located in the prostate-- just immoral sexual behavior. I wouldn't worry about poor Mr. Cranston's chances to overcome cancer--he has far bigger problems from his own buddies. Remember, Mr. Casey developed an equally surprising brain tumor just before he could testify in the Iran/Contra hearings and died immediately from it. So be it, little sleepyheads.

Precious ones, it is not your house that is the plague upon their heads. However, you do become "obvious" in your four year struggle through the corrupt system. You were "supposed to" just give up the property, roll over, run out of funds for legal counsel (you note one or two lawyers were ordered "out" of the case because their own superior partners were involved in the scam), and go away like little lambs so they could make one last "killing" on the property--albeit no so great as with other properties-- yours would only make them a couple of hundred thousand as things were unfolding. You deserve explanations for the horror of the ordeal which is still in its infancy You must see it through, dear ones for it is your home and you do not "quit" when the going gets rough You are not alone.

Back to the subject of Mental Programming and Mass Media.

## Motion picture indoctrination

Just as now, motion pictures were an effective propaganda weapon during both World Wars. German Chief of Staff Erich Ludendorff, writing in 1917, said: "The war has demonstrated the superiority of the photograph and the film as a means of information and persuasion." Lenin considered the cinema the most important of the arts. "Molding the feeling and intelligence of the masses is one of our political problems and for this end we find the movies most effective," said Russian film director Sergei Eisenstein. Art is a way of seeing and what you see in art defines what you understand to be "reality". This is what was so important about the "Maplethorpe" insipid portrayal for that is what the world now recognizes as "American art".

The great political problem of the United States at the end of the nineteenth century was to find a way to assimilate the vast numbers of people who came from all the countries of Europe bringing with them their diverse traditions. The solution was psychological standardization. This was accomplished by creating the American way of life as portrayed by the "American Dream". This also served an economic function. Mass production requires mass consumption. There cannot be mass consumption without the majority of the population having identical views about what constitutes the necessities of life. Without psychological uniformity advertising and other forms of propaganda could not manipulate the public with certainty.

D.W. Griffith's *The Birth of a Nation* exploded on the screen in 1915 and caused dissension in almost every city and community it played. The radio broadcast of *The War of the Worlds* caused panic. *Reefer Madness* encouraged marijuana use and was part of a propaganda campaign that led to the Marijuana Tax Act. *The Warriors*, one of a number of "gang" movies, was followed by a rash of violence in cities across the nation--just as with *Colors*, etc. Approximately twenty-eight (**KNOWN**) people died

playing Russian roulette in response to viewing *The Deer Hunter*. The press reported that John Hinckley, Jr. told his attorneys that the idea to assassinate President Ronald Wilson Reagan came to him after he saw *Taxi Driver*. This, of course, is not really more than a set-up story since the gunslinger was not Hinckley, but the story moves right along with proving that the Elite use exactly this mechanism for manipulation and know what to feed into the public awareness. A report released in 1982 by the National Institute of Mental Health said, "Violence on television does lead to aggressive behavior by children and teenagers who watch the programs." How wonderful, since the same people plan the very showings which will produce exactly that response.

ABC Motion Pictures president Brandon Stoddard called *The Day After* the most important movie ever made. One of the most talked-about programs in television history, *The Day After*, graphically depicts the devastation of Lawrence, Kansas in a thermonuclear apocalypse, the agonies of survivors and the breakdown of society where law-abiding citizens emerge from the rubble to loot, rape and pillage. It was broadcast just weeks before the scheduled deployment of American Pershing II missiles in Western Europe. **Further, the message told was that shelters were useless and to capitulate to anything rather than a nuclear war. The truth is that with shelters, 85% of the population would survive and all who would be in adequate shelters would easily survive. So the nation who refuses to give you shelters and persecutes anyone who suggest you get some--MUST HAVE SOME ULTERIOR MOTIVATION??**

*Special Bulletin*, about terrorists exploding an atomic bomb in Charleston, South Carolina looks and sounds like a real news broadcast in every detail--it was filmed on videotape for that very effect of realism. Like the radio broadcast of *The War of the Worlds*, the cast of characters include the anchorperson(s), correspondents reporting from the field and outside "experts" brought in to comment on new developments. Despite disclaimers, the rerun of *Special Bulletin* prompted numerous calls to stations across the nation from people who wanted to know if it were real.

The techniques of psychotherapy, widely practiced and accepted as a means of curing psychological disorders, are also methods of controlling people. They can be used systematically to influence attitudes and behavior. Systematic desensitization is a method used to dissolve anxiety so that the patient (public) is no longer troubled by a specific fear, a fear of violence for example. A progressively more graphic depiction of violence in the movies and on television desensitizes the viewer, especially young people, to real-life violence. People adapt to frightening circumstances if they are exposed to them enough. Implosive therapy serves the same purpose as desensitization. However, instead of gradually wearing down a specific fear, this method is designed to create an internal explosion (implosion) of anxiety, frightening the patient (public) as much as possible to "burn out" the object of fear. Thus, *The Day After* and *Special Bulletin* could leave many viewers so numbed by a sense of hopelessness and helplessness that they could succumb to deep apathy with regard to anything that has to do with the prospect of nuclear confrontation.

For anyone who saw *Close Encounters of the Third Kind*, who can forget the five-position hand gesture used by the extra-terrestrial being in greeting the human contingent at the landing base and the emotions that welled inside, a feeling of pride that you are somehow part of something that is much vaster than anything you have

imagined? Communication depends heavily upon actions, postures, movements and expressions. Think back to the times when you have had a conversation with someone and you had the "gut feeling" that you were being lied to.

Words don't always communicate truthfully and there are things that communicate more than words. Meaning comes from the sound of someone's voice and "body language". There are many ways of "faking" body language to achieve an end. Authors of books on self-improvement and how to make friends and influence people are aware of the importance of body language and the importance of faking it properly to guarantee social success. Politicians have learned its importance and how to use it effectively. No matter what John Kennedy said, a few gestures and a correct posture captivated his audience. Lyndon Johnson's arm motions were always too studied, too mannered. Nixon's gestures were so rigid and exaggerated that they lent themselves to a comic situation. With his shirt sleeves rolled up, Jimmy Carter tried to show that he was at ease with ordinary people and said: "I will never lie to you; I will never mislead you," while he was in the midst of lying to you at the very moment. Contrary to the Carter image, one veteran speechwriter who left Carter's campaign said, "The candidate and the campaign were the opposite of what they appeared to be." NBC News reporter Roger Mudd made the observation that Senator Gary Hart seemed to imitate the late President Kennedy. Rev. Jesse Jackson is an accomplished orator, speaking with an evangelistic tone, metaphor and rhyme. His hand gestures are deliberate and convey an emotional context to his words. It should not be forgotten that President Reagan had extensive training as an actor. Called "The Great Communicator" by the media, Ronald Reagan was a politician who is a "real" actor, a man who began his career by convincing radio audiences that he was at a sports event when in fact he was reading off a ticker-tape machine and inventing the details.

Think for a moment about the way newscasters speak and you will realize that they all talk the same way regardless of their ethnic background or whatever might be the issue under discussion. A ten-point earthquake gets about the same excitement as a Central Park pet show. Whether they be black, white, hispanic or oriental, they all sound alike. "News-speak" has become a language pattern associated with the dissemination of true, factual information. Consider the laugh tracks that have become an integral part of TV comedies. They "educate" the audience to "respond" to what is "funny" even if there is nothing even remotely amusing in the show. The audience has been programmed to associate a resonating low monotone voice with evil because of the evil behavior of movie and television characters with that vocal quality. The very reason you can't see through the hogwash given by the politicians is that they are most careful to NEVER project that intonation in their speech--even accidentally.

Emotions can be stirred, attitudes and states of mind revealed by nuances of tone and variation in vocal quality. The camera can reveal the smallest movement and the most subtle change of expression and give them significance and definition. Popular performers, past and present, are "role models" for the audience to admire and emulate, thus promoting a standard for behavior. You certainly do not see Bush in the bungling, tongue-tied manner he projected a few short years back. He has become a smooth, practiced actor who reads the pre-written speeches by speech-writers without even the normal speech errors of anyone in ordinary speaking circumstances.

The public has been programmed to accept stereotypes that categorize people and professions. All verbal and non-verbal communication has been identified, defined and reduced to a code that can be manipulated.

Describing the incredible power of network television, Senator Gary Hart said (and he should know): "It's a very frightening thing, if you think about it enough. A Hitler, a dictator, could rise in a matter of a few days with the proper use of TV. I think it could really happen." And Mr. Hart--it has and will! It is possible to program an entire population to respond to certain words, images, vocal qualities, body movements, gestures and expression with certainty. Look what the Jewish movement is doing with "anti-Semitism" when the term is not even remotely accurate. The result of such programming is a population that is highly suggestible, a population that can be manipulated with total precision and it has been proven true over and over, again and again. The story never has to change for the old one works EVERY TIME.

## The power of dirty money

Conspiracies to seize the power of government are as old as the institution of government. Roosevelt (F.D.) said: "In politics, nothing happens by accident. If it happens you can bet it was planned that way." He knew, for he is responsible for thousands of deaths at Pearl Harbor. During the past couple of centuries when the peoples of the world were gradually winning political freedom from monarchies, the major banking families of Europe and America were reversing the trend by forming new dynasties of political control through international financial alliances. The goal was to create a world-wide system of financial control in order to dominate the economy of the world and the political system of each country. We have spoken on this subject until we are all a bit sick of it.

The United States is dominated by a hierarchy of wealthy families--as is the whole of the world. The control of private wealth is held by families and family alliances, reinforced by marriages among their members, that guide the banks and control the corporations of major size. Historically, government has been the servant of private wealth. The first fortunes in the New World were political creations. Land and trading privileges were granted by the British and Dutch crowns upon favored individuals and companies. Every great fortune that came out of the nineteenth century was rooted in fraud. In their absorbing passion for the accumulation of power and wealth, men plundered the resources of the countries like burglars looting a palace--taking even that which was not of value whatsoever. The public has been deluded about the material aims of a few and the very existence of those who rule the majority. Rule through money has been fashioned into the ultimate system for securing and maintaining power.

There was an author in your nineteenth century by the name of Edward Bellamy who spoke about the consequences of man's inhumanity to man. I wrote this before but I think it appropriate to hear it again. The story was *The Parable of the Water Tank*. There was a very dry land and the people needed water badly. They did nothing but look for water and many perished because they could 'not find any.

There were, however, certain men in that land who were more cunning than the rest and they gathered supplies of water where others could find none, and these men

were called capitalists. The people came unto the capitalists and begged for water and the capitalists answered: "Be ye our servants and ye shall have water." And so the capitalists organized the people and they made a great tank for the water, and the tank was called the Market. The capitalists said unto the people: "For every bucket of water that ye bring us, we will give you a penny, but for every bucket that we give unto you, ye shall give to us two pennies, and the difference shall be our profit, seeing that if it were not for this profit we would not do this thing for you and you would all perish." And after many days the water tank, which was the Market, did overflow and the capitalists said unto the people: "Bring us no more water till the tank be empty." But when the people received no more pennies from the capitalists, they could buy no more water. And when the capitalists saw that they had no more profit, they were troubled and said among themselves, "We must advertise." But the people had no pennies to buy the water and the situation was called a "crisis".

The thirst of the people was great, but, the capitalists would not give of the water, saying "business is business". But the capitalists were disturbed because the people bought no more water, and so they acquired no more profits. They then sent for the soothsayers to interpret this predicament. The soothsayers were men learned in dark sayings, who joined themselves to the capitalists so that they would have water, and they spoke for the capitalists and did their bidding for them. The soothsayers said that the people bought no more water because of "overproduction" and others said it was because of "lack of confidence". The capitalists were comforted and they sent the soothsayers unto the people who saw the emptiness of their wisdom and did mock them. The capitalists became fearful that the people would come upon the tank and take the water by force. And so they brought forth certain holy men who were false priests to testify to the people that his affliction was sent to them by God for the healing of their souls, and that if they would bear it in patience and lust not after the water, nor trouble the capitalists. It would come to pass that after they had given up the ghost they would come to a place where there would be no capitalists but an abundance of water.

When the capitalists saw that the people were still discontent and would not be still, neither for the words of the soothsayers nor of the false priests, they came forth themselves and wet their fingertips in the water that overflowed from the tank and they scattered the drops upon the people and the drops were called "charity". But still there was great unrest among the people. The capitalists sought out the mightiest and all who had skill in war, and they became a defense unto the capitalists. And after many days the water was low in the tank, for the capitalists wasted the water for their pleasure. When the capitalists saw that the tank was empty, they said, "The crisis is ended." They hired the people to fill again the tank that was the Market, and gave the people a penny for each bucket the people brought and took two pennies for each bucket they did give unto the people - - - .

# **Radio static from the ADL**

## **10/26/91 #1 HATONN**

Hatonn present in the Light of God to whom I give my service and unto you who are his wondrous reflection and who I am sent to likewise serve.

For all who read this document, it would be only fair to explain that I had agreed to speak to a rather brave radio talk show host in the "Northeast U.S." I will leave the details absent for it makes no difference to the readers at this time and a great deal unto him. His idea is superb and would be a "first" and yet, he knows better than to push the river.

The minute the surveillance groups became aware (which is easy for you ones take no precautions at all) the movement to keep the program off the airwaves went into high gear. I felt it a good opportunity to remind you that I am "real" and even you sweethearts who "live" with me don't quite believe it. You somehow cannot bring yourselves to believe that there would be actually anyone out to "getcha"! YOU didn't even know where the call was supposed to be originating, who the man is or anything else of importance.

The warning has gone forth from the ADL to stop the programming. It matters not whether the station was actually taken off the airways for the results are the same--no transmission. Could I do something about the interference? Yes indeed, but you would only find that the next thing that would not "work" would be the telephone connections. You have already tried that one before and KNOW that you can't have Dharma, much less Hatonn, on the phone for more than two minutes without interruptions and static to such an extent that there can be no communications.

The radio station is flooded with phone calls by ones anticipating the visit this morning and it is quite hurtful for so many of the inquirers are youngsters who have waited all week to begin to share their questions. We will have to wait and see what happens. We may have to contract to speak of only general information because ones do not speak with me who fail to realize I am who I say that I am--even Mr. Cole, the adversary in Florida, recognized my validity and has much reason to reconsider his approach since our radio encounter. You ones are curious but it is none of your concern that which I have going on with another in another sector. It is much better that you attend that which is in your "court" and you won't get into nearly so much trouble. I must have you ones get into the habit of GETTING INFORMATION. You are sitting ducks and not one of you know but what that whole episode took place right at China Lake or Edwards Air Force Base--or Tehachapi City Hall.

Dharma is feeling bewildered for with all the writing and the need for all the reading--no one picked up the true identity of "Gunther". This is one of the most important men in the public today, imprisoned and can single-handedly pull down the very Presidency—and no one even remembered that we had written a massive writing about him. If YOU in the immediate service do not remember what is in the JOURNALS how can you expect the general citizen who just confronted an *EXPRESS* to get information.

We have ones pouring through who seem to have great touted knowledge of computers and state a desire to "do something"--then why have we no cross-index system for locating subjects and names? I can tell you that which it is--it is that ones have their own perceptions of service and that which they will and will not do and under what circumstances--this is why the "lips" are rarely honored as factual outputters of information or intent. I am NOT going to tell you daily what your assignments are--not even Oberli--perhaps "especially" Oberli, for all then want their

assignments from him. If you cannot see that which needs doing then how can I ask something of you?

It is quite fine that you do not see yourselves in such-and-such a role, even briefly--but do not say to the group that "I will do anything, just ask me" if there is no intention of so-doing. That is unfair, for ones begin to depend upon your assistance only to find themselves short of help when the time is at hand. And, no, it is NOT alright to sit and say that "We can't do it for we have no funds so we will wait until Oberli or George works it out for us." So be it--it can be a very long "wait".

Many very exciting things are coming quickly now and individual purposes will be becoming more and more clarified as to talent. Thank you for waiting upon God while we attend the myriads of tasks at hand.

## Who is Mr. October Surprise?

Today has some special things to "watch". The rain in Stockton and San Francisco, etc., is not an accident. You have to have a few more lessons--as does your President. The adversary plays his games to suit his own timing and distractors are so much better if they are "natural". Either way, this little fire/flood incident is planned to pressure your government for "relief emergency assistance" while new funding for same is not yet in place--remember, the budget is still under debate. Some things were postponed until the 27th and others for the 29th. Let me give you the other side of the news. There are planned detonations along the New Madrid Fault running through Chicago on the 27th along with nuclear testing on that day in Nevada and some triggering blasts within the San Andreas while you are distracted to possible mud-slides, etc. Then on the 29th the intent is still to push off the San Andreas. Ah, yes, and the biggest "October Surprise" is yet to come.

Doesn't anyone associate "Gunther" with "October Surprise"? Dear ones, this is the pilot of the craft which **TOOK BUSH TO PARIS FOR THE SECRET MEETINGS! HE IS "MR. OCTOBER SURPRISE"!** He is in prison to keep him silent on charges such as mis-use of fuel funds, improperly authorized use of jets, etc. All things are as stupid within the security CIA forces and military hook-in as to arrest and incarcerate Bo Gritz for "passport violations". It is the same. I will outlay the story but not at this sitting for we need to get onto this problem and get that man out. He is being kept in reserve to see if, in fact, the Bush parade can be pulled down through Noriega and North. If not, then more dirty laundry will have to be aired--but that includes some pretty high officials also. There are too many "Bush(s)" to simply assassinate him in an ordinary way for there are too many to replace him. Yes, all this is tied into the same perverted game.

The Elite prefer to not pull the banks all down--yet. They also prefer to not move with Emergency Regulations--yet. The intent is to totally deregulate the banks in preparations for better hiding the S&L debacle and the inter-connections as with BCCI. That intrigue alone could pull down Bush--just the \$250 Billion Bush split with Saddam would do it. The CIA is making statements about it now which are very incriminating. The Administration has to work more openly to suppress information but it is the time of separating the players into alliances.

Note the good part of this play--God is delivering some very needy persons into your Law Center who can thrust the center into view immediately. My suggestion is that you speak with Col. Gritz about "Gunther" as quickly as possible--we can utilize the same approach as the attorneys used on Gritz's case. The bigger problem is that Gunther is helplessly incarcerated and harder to get to for cooperation. It is a terrible thing when ones do unto their own. This is the most heinous type of betrayal.

Just a hint--the big boys told Gunther that if he would just take their "plea bargain" there would be no repercussions. He would be given a sentence which would be simply set aside and probation would be instant. It went fine and that is exactly that which they did--he cooperated but somebody leaked the indiscretion of Bush and after being released--Gunther was arrested, probation cancelled and he is incarcerated on consecutive sentences of "embezzlement". How interesting since the company he "worked for" was a CIA front and didn't have any business from which to embezzle. The consecutive sentences add up to some 28 years, however, and not a thing he can do about it. This is what you have come to, America.

After I finish the writing on Mind-Control in the U.S., I shall take this subject up in detail. I wrote about it before but we are going to get it from the right hand. We will need publicity and a lot of it--quickly. There must be so much publicity as to bring protection. The wife is as with Dharma--surrounded by police, secret service and CIA operatives constantly. Every phone within a certain radius of her home is tapped and all correspondence monitored--this means we go for it right through them. They have to break the laws to act against us--we do not.

Let us work for a few minutes on the Ruling Elite in our Mind-Control sequence for you cannot be reminded often enough of how it is and what is happening. .

## **Ruling elite network**

I will share with you some comments made by one back in the nineteenth century, British Prime Minister Benjamin Disraeli. He stated that the world is governed by very different people from what is imagined by those who are NOT behind the scenes. Dr. Carroll Quigley, who taught at Harvard and Princeton and at the Foreign Service School of Georgetown University, wrote about this network of "insiders" who govern from behind the scenes in a wondrous and huge work called *Tragedy and Hope--A History of the World In Our Time*: "I know of the operations of this network because I have studied it for twenty years and was permitted, for two years, in the early 1960's, to examine its papers and secret instruments. I have objected, both in the past and recently, to a few of its policies (notably to its belief that England was an Atlantic rather than a European Power and must be allied, or even federated, with the United States and must remain isolated from Europe), but in general my chief difference of opinion is that it wishes to remain unknown, and I believe its role in history is significant enough to be known.

"Political and economic power in the United States is concentrated in the hands of a "ruling elite" that controls most U.S.-based multinational corporations, major communications media, the most influential foundations, major private universities and most public utilities. Founded in 1921, the Council of Foreign Relations is the key link between the large corporations and the federal government. It has been called a '

school for statesmen' and comes close to being an organ of what C. Wright Mills has called the Power Elite--a group of men, similar in interest and outlook shaping events from invulnerable positions behind the scenes."

The creation of the United Nations was a Council project, as well as the International Monetary Fund and the World Bank. Council members included **Henry Kissinger, Gerald Ford, J. Carter, Haig, Schultz, Weinberger, Jesse Jackson, Tom Bradley and on and on for hundreds of names--all recognizable.**

**The Council, however, is only a working hand of the top Elite group which is recognized by several labels from "Council", "Group", "Committee", etc., "of 300".** This is the big-dog serving the "most" Elite. They are serviced by the Bank of International Settlements in Basel, Switzerland into which ALL BANKS FLOW.

But back to the CFR. Twelve Council members were part of President Lyndon B. Johnson's Senior Advisory Group on Vietnam. President Richard N. Nixon appointed more than 110 Council members to key government positions during his administration. The majority of major appointments to the State Department by President Jimmy Carter in 1977 were members of the Council. Most CIA directors have been high-level Council members, including Vice President George Bush and William Casey. Note that this is not "new" information but you need some reminding from time to time to keep your players straight--recall that none of you recognized "Gunther".

The president of the country's largest labor union, the AFL-CIO, Lane Kirkland is a member. Membership includes a high concentration of corporate leaders from such companies as ITT, IBM and Standard Oil. David Rockefeller has been director of the Council since 1949 and chairman of the board since 1970. Now don't confuse this, chelas, with the changes in the Trilateral Commission and Bilderbergs. Never mind Rockefeller-Volcker, that is another story. The Council has been called "The Establishment", "The invisible government", "the parallel government", "the shadow government" and "the Rockefeller foreign office". The goal of the Council is the establishment of a "World Government".

Gold and diamond magnate Cecil Rhodes stated his commitment to the establishment of a World Government in his first will called the "Secret Society Will". His aim was clear: "The extension of British rule throughout the world". The secret society was called The Round Table, which worked behind the scenes at the highest levels of the British government. They organized Round Table Groups in those nations under British dominion and in the United States. In New York, it was known as the Council on Foreign Relations. The *Chicago Tribune's* editorial on December 9, 1950 states: "The members of the Council are persons of much more than average influence in their community. They have used the prestige that their wealth, their social position, and their education have given them to lead this country toward bankruptcy and military debacle. They should look at their hands. There is blood on them--the dried blood of the last war and the fresh blood of the present one." Administrations, both Democrat and Republican, change, but the Council on Foreign Relations remains. The "insiders" control both the Democrat and Republican parties.

There is, on the international level, an organization similar to the Council. This group calls itself the Bilderbergers, created by former Nazi SS storm trooper Prince Bernhard of the Netherlands. Called "the most exclusive club of the Western establishment", the Bilderberg Group includes some of the world's most powerful financiers, industrialists, statesmen and intellectuals, who meet each year for a conference on world affairs. Those attending have included British Prime Minister Margaret Thatcher, West German leader Helmut Schmidt, France's Valery Giscard D'Estaing, Henry Kissinger, Gerald Ford, Walter Mondale and David Rockefeller and thus and so. The ultimate goal of the Bilderberg Group is the establishment of a "World Government".

## **WORLD GOVERNMENT IS OBJECTIVE OF "COMMUNISM"**

### **(BY ANY NAME)**

A World Government has always been the objective of Communism. The Bolshevik Revolution of November 1917 was a turning point in world history. "The main purveyors of funds for the revolution, however, were neither crackpot Russian millionaires nor the armed bandits of Lenin. The 'real' money primarily came from certain British and American circles which for a long time past had lent their support to the Russian revolutionary cause," writes General Arsene De Goulevitch in *Czarism and the Revolution*.

We have been through the financing of the Bolshevik Revolution for so many times that I will just remind you that some of the world's richest and most powerful men financed it. The movement claimed it would strip these very same men of their power and wealth, men like the Rothschilds, Rockefellers, Schiffs, Warburgs, Morgans, Harrimans and Milners, among others. The lies were already well under way by the turn of your century. There is no proletarian, not even a so-called Communist movement, that has not operated in the interests of money, in the direction indicated by money, and for the time being permitted by money--even the religions of the world were all established and built around the wealth which could be gleaned. If there are "Idealists" among the groups, so much the better for the whole thing can be pulled off without those Idealists ever having the slightest suspicion of the fact of subterfuge and deception. Further, with all the nice "funding" as many radicals as can be utilized are easily purchased--the going "price" being quite reasonable, in fact. The very program of the Communist International of 1936 states that world dictatorship "can be established only by victory of socialism in different countries or groups of countries, after which the Proletariat Republics would unite on federal lines with those already in existence, and this system would expand...at length forming the world union of Soviet Socialist Republics. Socialism means government ownership and/or control over the basic means of production and distribution of goods and services. State Ownership and regulation of the entire economy means government control over everything. The evolution of economic history shows a straight line movement toward consolidation of wealth. This evolution "flows from competition to combination, and from large combination to colossal combination, and it flows on to socialism, which is the most colossal combination of them all. *Communism is totalitarian socialism*. Communism is a movement created and manipulated by some of the world's most powerful and wealthy men in order to gain control over the world, first

by establishing socialist governments in different countries and then consolidating them through a "Great Merger" into an all-powerful socialist dictatorship.

Even dear old "John" predicted that before the great epic of Millennial peace, humanity would be subjected to a ruthless, world-wide dictatorship which would attempt to make all men subservient to it or be killed (Revelation 13:15). He said that this dictatorship would compel men, "both small and great, rich and poor, free and bond", to be identified with it (Revelation 13:16). Unless a person be identified with its monopolistic control, "no man might buy and sell" (Revelation 13:17).

Founded in 1944 at a United Nations Monetary and Financial Conference at Bretton Woods, New Hampshire, the International Monetary Fund oversees the world economy (or at least they act in service to the Bank of International Settlements under the guise of the U.N.). With its headquarters in Washington, the International Monetary Fund encourages financial cooperation between nations and lends money to governments which must comply with preconditions before the loans are granted--that, too, is a facade such as in the case of Russia and the Soviet Union. It would appear that this is dominated by Western nations and the International Monetary Fund manipulates the economies of industrialized nations and the developing countries. It is envisioned that this group, through the World Bank (i.e., BIS) will lend billions of dollars for economic development projects in underdeveloped countries--which must come into submission, be allowed to join the IMF and follow orders before becoming eligible for World Bank aid. This means that Africa must submit to AIDS injections under the heading of "Smallpox vaccinations", etc., or starve. Take your **choice**.

## Plato-a shame to Socrates

I don't want to speak longer on the "above". Let us move on to see what the guidelines might be.

Plato's *Republic* is the source book of all dictatorships (see the already readily available misuse of terms? Republic vs Dictatorship!?). Plato's blueprint for a new society begins with breaking up the existing social structure by whatever means necessary, including force, in order to establish the "ideal" society. There would be three classes: the special ruling class, a powerful army and the working class. There would be slaves also, but slaves would not be considered citizens. Marriage would be eliminated. Women would be equal with men--equal to fight wars with men and perform labor like men. Sexual activity would be controlled and limited by the State. There would be selective breeding of children and children considered inferior or crippled would be destroyed. People would be induced to believe falsehoods taught as religious principles. Myths would convey important "truths" to young or untrained minds. Religious institutions would be regulated by a recognized national authority. Priests would have no authority over beliefs, but would be Officials whose duty it would be to perform rituals. War would cease when all states are united in a world-state according to the principles prescribed by Plato. And Plato was prepared to place the control of the State in the hands of a single man.

# I dare you to print this...

10/27/91 #1 HATONN

As we sit to pen an "Introduction" to this JOURNAL, the myriads of subjects swim through the ethers. All are charades played upon the sleeping masses by those who NEVER sleep. There are endless stories, each as cruel in its intent of deceit--but time limits our ability to cover ALL. We are destined by your limitations to focus on that which allows you to reason carefully and find the truth from the lies. Herein lies the "Sins of the father being visited upon the sons." As "the fathers" built the lie, acted the lie and lived the lie--so, too, are the sons trapped within the LIE. We can unveil that which is and has occurred, but you will have to "fix" it if it be fixed. Ours is but to show the way--not force upon you, the journey.

A person has written a letter to the ones who bring forth the "Phoenix" writings and dares **me** to print the letter in the paper. As always with those who bash at truth-bringers, he speaks loudly of the farce of the information, then gives away his own orientation and then in the cowardly fashion as is always present in the group of rock-throwers--gives no name, no address. These ones open no debate or offer to reason together--they simply dip their pens in the poison and scatter them at random to hit whomever they might. Well, the seriousness of your "times" upon the globe are so serious in perception and anticipation of that which is unfolding that the letters of this type bring only compassion for the blinded who REFUSE to see—to so much as "consider" possibilities. These are the ones who lose ALL for you will note the very heritage of this being is already stolen from him and too late will he see the truth of it. The son will simply perish for the "sins of the father" who taught so carelessly that which he, himself, received from the deceitful mouths of deceivers.

*I just tried to read your semi-in-coherrent (incoherent, Ed.) newspaper--seems to me it was written by someone bordering on illiteracy.*

*Whoever wrote that rag is not even good at telling lies. The babbling falsehoods venemously (venomously, Ed.) spewed forth by an obviously deranged individual is very poorly written and almost impossible to follow.*

*Keep up the good work. As long as these poisonous fabrications appear to be written by a lunatic, sensible people will continue to laugh it of as several levels below ridiculous.*

*By the way, one quote in your paper is correct, (probably only one sentence--see page 10, 4th line. **[H: The writer did not bother to quote the sentence so I am a bit at a disadvantage--but he continues to sum up our level of intelligence in his perception.]** If you people are typical of "Goyim" (and, bless the lord, you are not) then "The Goyim have lost the habit of thinking". You are proof Lyndon LaRouche and his closest followers should rue the day of their eventual deaths (we all die, even old Lyndon, one day) because the lord will be seeking powerful vengeance (vengeance, Ed.) on these twisted minds.*

*SIGNED--Someone who is laughing at you.*

*Publish this letter to the editor in your next edition if you have the guts.*

I have the guts, sir; I hope you are as well prepared for that which the "ones who claim to be your brother" have in store for you. I am not in understanding of that which the PHOENIX JOURNALS have to do with Lyndon LaRouche-EXCEPT, THAT A MAN IS INCARCERATED AFTER HAVING BEEN DELIBERATELY, AND ADMITTEDLY, SET UP BY THE JEWISH ANTI-DEFAMATION LEAGUE--**FOR UTILIZING HIS OWN TIME, MONEY AND RIGHT TO FREEDOM OF EXPRESSION, PRESS AND SPEECH!**

You, dear correspondent, are very fortunate indeed that there is no one to cause you to so much as look at the *PHOENIX LIBERATOR* or any of the JOURNALS which so distress you. It most certainly is NOT YOUR BRETHREN WHO INSURES YOU THAT RIGHT FOR THOSE ONES HAVE DEPRIVED YOU OF ANY FREEDOM WHATSOEVER, OF SPEECH, PRESS AND/OR MEDIA. AND YOU FURTHER THE BONDAGE.

Yes, indeed, ALL do die--I know wherein I shall dwell upon that journey--where might YOU be? I will, further, bring all brothers who will come with me into safety--into that security--it is obvious that you will take no one who disagrees with your intent. You might find your journey unpleasant and indeed lonely. I do not "blast" you, sir, I have infinite compassion for I know the road and you do not. I can only assume you will be reading another issue of the paper since you dared us to print your message. Blessings in the Light of God, friend--I am happy to share your message.

## **While Americans are fast asleep**

**BY M.J. "RED" BECKMAN**

This is another brave patriot whom I greatly honor. I am going to reprint a message presented by Mr. Beckman, who is an author and whose books can be obtained through COMMON SENSE PRESS, P.O. Box 1544, Billings, Montana 59013. Mr. Beckman is a frequent lecturer and I can only ask that if you have opportunity to hear him, that you do so. You are not alone in your awakening, dear ones, as there are brave men and women who have awakened and are ringing your alarm clocks as loudly as they can--they are blessed indeed.

I look forward to one day soon, serving with this, another of my comrades who is given into his mission and is willing to take the consequences of his stand for freedom and truth. I dedicate this JOURNAL unto him. I reprint his message for you often hear more clearly from one of your own which you can feel and rest your eyes upon. I do suggest you grow beyond that limitation for without the limiting, lies the answer!

Quote: (Thank you, "Red" Beckman)

From the courtrooms of America we hear a chant, "*It's the Law*", "*it's the Law*", "*it's the Law*"!!! The sheriff and his deputies tell us, "*It's the Law*", "*it's the Law*", "*it's the Law*"!!! The F.B.I. and Highway Patrol and all of government seems to have taken up the cry: "*It's the Law*", "*It's the Law*", "*It's the Law*"!!! **But the people sleep on.**

When, oh! when will we learn a very important lesson from history? **Governments NEVER sleep.** The people sleep and while they sleep the government becomes a thief.

Governments become monsters while people sleep. The people of Hitler's Germany went through a hell on earth and bled and died because their government became a thief while the people slept.

Will the people of America sleep on while our government continues to fatten itself with stolen power? Will America wake up TOO LATE? Is it too late already? It is too late if you read this and then go back to sleep. It is too late if you as an American do not immediately begin to enforce the law. Yes YOU, the individual citizen, must right now begin to enforce the law.

Now you're just beginning to get the sleep out of your eyes and because you have been sleeping for a long time, I had better explain a thing or two.

First of all, you were a student in the public, oops, I mean, government school. The government likes to run the schools because they want you to sleep very soundly. They want you to believe that while you sleep the government will be taking care of all your needs and you don't ever need to wake up.

The government school did not teach you that man's worst enemy has always been his own government. Think about it. Who was the enemy of the people in Hitler's Germany? the people of World War II, Japan or the people in Russia and China of our day? Man's worst enemy has not been famine, disease or weather! People are destroyed by their own governments over and over again as history repeats itself again and again.

Now your mind is starting to function as you sit up on the edge of the bed. Yes, I'm talking to you! You have been sleeping for so long and now I must brief you rather quickly.

While you slept the government has been writing and passing a lot of laws which have been stealing your most precious possession. Your FREEDOM has been taken from you while you slept. You will go to work today and work until noon for government. In 1979 while you were sleeping the government confiscated their half of the wealth created by the people. You will work for your government the first four hours of the day and when you get home you will accuse your second employer of the day of not paying enough to live on. We think we are wide awake as we go through the motions of being an American but the truth is we have been sleeping and the thief has been working. You have had half of your paycheck stolen and you didn't even know it.

If a person becomes a thief that person is a criminal. If a government becomes a thief, do you not have a *criminal government*? But the Government says, "We wrote the law which gives us the legal right to force the citizen to work half of every day for the government."

Are you awake enough now to ask the big question? What kind of laws have been passed while I've been sleeping? Oh! Oh! what a shock. The people were free and the

government was the servant when you went to sleep but while you slept the government took your freedom and you are now the servant.

You're saying this can't happen in America, the home of the brave and free. You are saying the Congress will solve the problem. The president can turn it around and we can always depend on the courts to protect us.

Now I'll have to pour this bucket of ice water over your head because it's quite easy to see that it will take some shock to really get you alert and alive.

While you slept you were a sleep walker and you made your way to the voting booth and voted for your Congressman and Senator and even a President. You always voted for the candidates who promised you the most from the public treasury. The pleasant dream of something for nothing makes us wish we could sleep and sleep and sleep.

The pleasant dreams, the dream world of a free lunch always becomes a nightmare in the real world. We thought if the Congress and the President don't do their job then the courts will be the check that will bring the system back to balance. Good old Alma Mater, they taught me about checks and balances. We don't have a thing to worry about. We have a legislative branch, executive branch and a judicial branch of government. Each is a check against the other and everything will balance beautifully and the government-run Alma Mater sings rock-a-bye baby in the tree tops.

We've still got the courts, you say, and they will protect me while I sleep. The problem with the court, my sleepy friend, is that while you were sleep walking, you served on a jury at the Federal Courthouse. You see, the judges and U.S. attorneys like to have you sleepwalkers on the jury because they work for the government and they take twelve sleepwalkers and PRESTO! they have a rubber stamp that serves government very well.

While you were on the jury you said ' guilty' when a wide awake neighbor of yours was on trial as a tax protestor. You complain and grumble because you have to work half of every day for the government. Your pleasant dream has become a nightmare's kick as government rules and regulations seem to break your back and your will. Yes, you were a sleepwalker on the jury and you gave a lot of power to the I.R.S. when you said 'guilty'. You gave the I.R.S. the power to take your own money. You are now scared to death of the I.R.S. and you did it to yourself, you dreamer.

If you are now awake enough to think, let me tell you how we must act and act quickly. We must take a crash (5 minute) course in Civics.

First of all, we must remember that our government was to be governed by Law. The government school did not stress that point. The Law which the people wrote to govern the government is the Constitution of the United States. The Constitution was a law designed and written to protect the people from their own government.

The Constitution gives the government the right to make laws to govern the people, but we are to have a government of, by, and for the people so the Constitution gives the government no power to enforce the law which government writes. Any citizen who violates a government criminal statute cannot be tried by the government because the law (Constitution) says that the government must go to a Grand Jury

(the people) for an indictment (permission to prosecute--5th amendment). If the Grand Jury gives the indictment, the Law says that the citizen has the right to a jury trial (6th Amendment).

The Law!! The Law!! We, the people, must make the government obey the law (the Constitution). You cannot enforce the law, which governs the government, unless you know what the law says and means. 'The Constitution of the United States is law which the President, the Congress and the courts must obey or they become a criminal government. How do the people keep our government legal? Very simple, if you are wide awake. You will judge the law which government puts on the back of the people. The Law (Constitution) has put the Grand Jury and Jury into our system to give the people checks that are the greatest checks of all in our 'system of checks and balances. If you are on the Grand Jury or the Jury and your fellow citizen is being charged with a violation of a government-made law, are you going to be a rubber stamp? Or will you be a check? Is the government-made law a just law, a good law and is it a Constitutional law?

I can just hear the government judge, lawyers and politicians screaming. They will say the citizen doesn't have the right to judge the law. Let me ask you some simple questions. How many honest lawyers do you know? How many dishonest lawyers do you know? Can we trust the legal profession to be the guardians of our law? Do we have a government of, by, and for lawyers?

The Supreme Court of the United States is made up of nine lawyers. Every one of the nine were political appointees of the President of the United States. These nine lawyers "say" they have the final say on the law. These men are tax-consuming government employees who are claiming the powers of a sovereign (YOU).

These men do not have the final say on the law. They are NOT SOVEREIGN. They are your and my SERVANTS. They are to be governed by the Constitution of the United States and while you and I were in our dream world these men have made an illegal grab for power and our dream world has become a nightmare. I hope that nightmare has jolted you wide awake.

I hope you are now wide awake. Get registered to vote if you aren't registered. We need angry Americans on the Grand Juries and Juries and you must be registered to vote to be called for Jury duty. Are you going to be a rubber stamp for the government? Are we going to let government write the law, administer the law, judge the law? Are you now awake enough to realize that that has now happened and we now have government of, by and for Government? The Constitution is hanging by a thread and that thread is in the hands of sleep walkers on Grand Jury and Jury duty. Will you help wake up these fellow Americans?

Let's get ourselves informed. When you become informed you can then remind the government and those tax-consuming public servants that "the Constitution is the law!", and we, the people, have the power to enforce that law. We, the people, have not enforced the law which governs government and we now have too much government, we have bad government.

If you get called for Grand Jury or regular Jury duty you must re-member a simple fact. The law in America explicitly prohibits the President, the Congress or the Judges

to ever be anything but a public servant. One person on the Jury has more power than the President, all of Congress and all of the Judges including the nine Justices of the Supreme Court. *It's the law!---It's the law!*

We need millions of Americans who will take up this chant--"it's *the Law*," and government must obey the law. For too long no one has enforced the law which the people wrote to control and govern our government.

In the American Revolution there was a humorous little saying that is as good for today as then. "*Either we hang together or we all hang separately.*" We have been allowing the government to hang us individually but now our backs are to the wall, and we are going to hang together. The Grand Jury and the **Jury will now** protect their fel-low American and we will hang together.

**"It's the Law", "It's the Law"**, we must let the government and our servants know that they must obey the Law.

## **LIBERATION OF DEMONS**

The history of mankind is the history of ideas. For it is ideas, theories, and doctrines that guide human 1 action, determine the ultimate ends men aim at and the choice of the means employed for the attainment of these ends. The sensational events which stir the emotions and catch the interest of superficial observers are merely the consummation of ideological changes. There are no such things as abrupt sweeping transformation of human affairs. You had best be aware and alert when at this very time in his writing, for instance, Gorbachev says he does not abandon Socialism-- **know that he means what he says and plans to have a socialistic world under total force and control.**

**What is called, in misleading terms, a "turning point in history" is the coming on the scene of forces which were already for a long time at work behind the scene.** New ideologies, which had already long since superseded the old ones, throw off their last veil, and even the dullest people become aware of the changes which they did not notice before.

It has been a long time in coming--while you slept. I can only urge you to now take up your staff and begin to set things to right, for the dawn has come and day is at hand.

Your brother, Gyeorgos.

# Madrid peace talks?

There are no "Peace" talks in Madrid. This is a conference to finalize the players into pecking order. Pay attention to that which is said and done and ICNOW that you-the-people are shown and told only that which the Elite desire that you De given. It is what is going on elsewhere that you must be in the attending. Try attending the Gates, hearing and see what you find. You are witnessing a fantastic "tea party" facade of intrigue which is lost to your attention. Pay attention: the Senators are totally intimidated and this is one of the most corrupt men since Bush himself--an enforcement officer for your demise. The objections are coming from other CIA officials, etc.--why might that be? Let me give you a bit of insight:

## ISRAELI MOSSAD CONNECTIONS

Where have you been? Mr. Gates was under interrogation and you will find that he responded to al-most every question about bungled or unauthorized CIA operations with a reminder the Mossad (Israel's secret service) had initiated or participated in the affair. Did anybody notice?

The facts are that those responses caused both the senators on the Select Committee on Intelligence and the press, to back away. I repeat that the only real opposition to this appointment came from an unexpected quarter: It came from career CIA officers, Gates' own col-leagues, who had never spoken out in public prior to this.

This man Gates has been charged with fostering a culture of total fear and cynicism during Gates service with the CIA all during the Reagan era.

That may well be true but it is a long way from the whole story. Gates was the protege and right hand of Bill Casey (the late head o the CIA who was **MURDERED** to silence him). Gates held key jobs-- deputy director of the agency for intelligence, deputy director and president of the national Intelligence Council, the office where the president's intelligence estimates are compiled. But moreso--Gates held the "bag" for others, **including George Bush.**

## THE SETTING

A long way back, in 1976, Georg Bush, then director of the CIA, set the stage for the sort of doctored and deceptive CIA reporting he now receives in the White House--an historic irony. Throughout the late 1960's and '70's, the Mossad put out alarmist espionage reports grossly exaggerating the Soviet Union's warlike intentions and its military capability, the respected intelligence historians now recognize. This does not mean that most is unfactual--only somewhat exaggerated.

The point at the time was to keep you thinking in the West that the Reds were about to overrun the Middle East. It was and is the Israeli aim to overrun the Middle East through the Soviet sector of the Khazars (Zionists). The Mossad consistently overdramatized the Soviet threat and used it year following year to get ever-larger security assistance handouts and other subsidies from Washington. You capitulated, aided and abetted every request.

When expert U.S. estimators in the CIA's Soviet Affairs Office (oh yes, indeed, there IS one) dismissed the Mossad's reports as "overblown" and "manipulative", the powerful Israeli lobby went to work to "crush" this unit.

Bush did something unprecedented when he became director of Central Intelligence. He appointed a special task force, code named "B" Detachment, to review the CIA's reporting on the Soviet bloc and bring it into line with Israeli estimates.

## **NOT A SECRET**

You may find it interesting, but certainly no secret move, that Richard Pipes, an Ivy League buddy and professor as well as a national security bureaucrat--and an announced "ISRAELI-FIRST" person--was appointed by Bush as head of B Detachment. This was done on the recommendation of then-White House National Security Adviser Zbigniew Brzezinski, a Trilateralist ideologue eager to ingratiate himself and serve the Israeli lobby. Yes, you should be hearing the same names often enough now that you begin to recognize the picture.

Pipes drafted a staff and advisory board of leading "Israel-Firsters". Among the additions were Fred Ikle and Richard Perle. The outcome was disastrous.

The Pipes team concluded the CIA had "vastly underestimated" Soviet power and aggression. Analysts who persisted in reporting the facts were transferred or purged. When the Reagan administration took over, handing command of the CIA to financier William Casey, Robert Gates was installed as deputy director in charge of intelligence collection and analysis. Gates was a career CIA bureaucrat and was known for his submissiveness to Israeli designs. It really becomes a problem for Bush now that the order to "take out Bush" has come down, but that is another story.

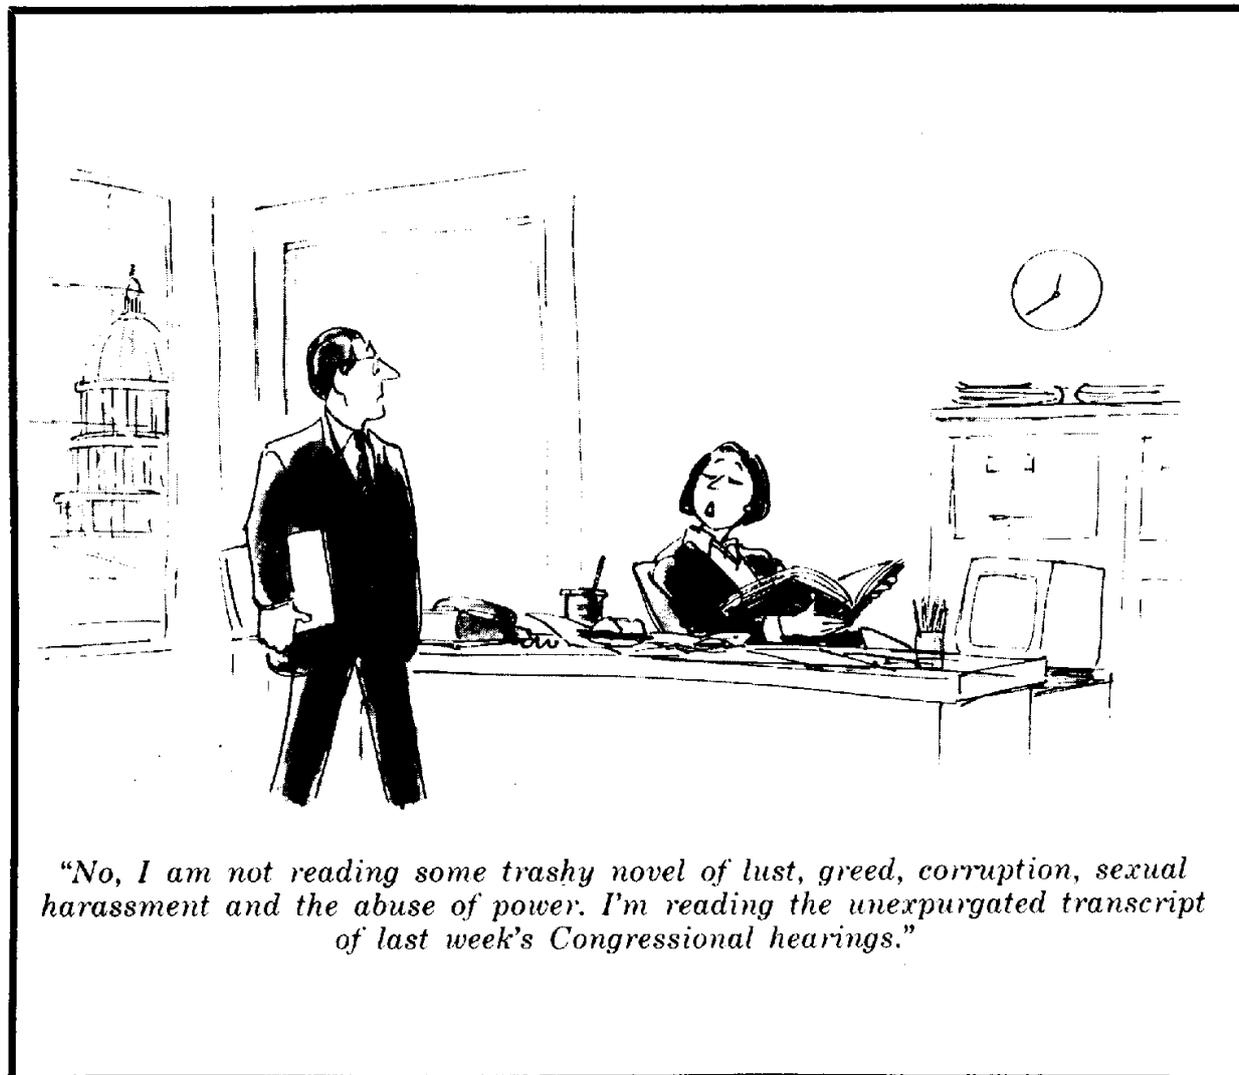

From that day on, the CIA followed the Mossad's . lead. When the Mossad warned that the Soviets were ready to take over the oil-rich gulf sheikdoms, the CIA reported the same. When the Mossad announced Soviet-sponsored Arab terrorists were on the way to devastate Washington and blow away President Reagan, the CIA echoed the alarm. When the Mossad claimed that unless there were secret sales of weapons to Iran, that vital nation would become a Soviet possession, the CIA uncritically concurred and acted in like manner. Funny thing about secret arms for hostages deals--they are still happening with the same hostages and no one seems to notice. When the proper payoff and arms arrive--another prisoner is released.

If U.S intelligence is to retain or regain even the slightest thread of credibility and integrity, the Gates nomination has to be rejected by the Senate. The CIA is simply a rather weak branch of the KGB and Mossad.

This is only a blatant opportunist bureaucrat who has been entangled in the drug trade, arms deals, cover-ups, etc., for years--the real allowor and setter-upper of the insanity was Bush himself. You better look even farther beyond than even Bush--unto the foreign alien forces that infiltrated and perverted the Washington national security bureaucracy under the Reagan era for they are all still there and functioning right under your noses with only the Kleenex changed for the wiping. Now you have Oliver North selling out the rest of your nation to the hoods who dumped on him and set

him up in the first place. They wrote North's book for him, shine him up to look clean and shiny, give him absolution and all his ranks and assets back and pronounce him a bigger than life hero again and again. He is a liar and a traitor; I care not what are his "reasons" for so-doing.

If you allow these so-called "servants" of yours (Congressmen) to do this to you-- perhaps you deserve exactly that which you are getting.

## Financial crimes

What will you do? How many of you can name the "Keating Five" for instance? Well, an important member is called Alan Cranston of California. Remember the poor soul who couldn't even testify for "health" reasons?

Well, his involvement with Keating's outfit is only peanuts to other involvements with Santa Barbara Savings and Loan and some other set-up operations for use in "flipping" of real estate. The involvement includes major Law firms, judges, attorneys and so on and on and on. When will you put a stop to it?

Take the raises given selves by these Congressmen recently--at midnight (literally). Take Foley, as an example, who has been in the House for 21 years. He has seen his salary and perquisites rise astronomically. Clearly he and other nervous politicians don't want to lose their path to wealth.

Can you not see the shocking handling of Thomas' nomination to the Supreme Court by members of the Senate Judiciary Committee--at least one of whom leaked confidential information to the news media. This is only an example, but what of integrity, loyalty to justice and honor?

What about the disclosure that House members had written more than 8,300 bad checks on their private bank during fiscal year 1990? Can you write bad checks on your bank? Do you have a private bank for servicing your bad checks?

Do you realize that Cranston, for instance, has so much power through ability to "blackmail" his counterparts that the Senate Ethics Committee can't "decide" whether or not to even punish Cranston for his misdeeds?

Well, old friends, you will continue to be the blood-letting donor to the blood-sucking vampires until you stop allowing it. It will be YOU who must take a stand, deny further allowance of this behavior, reclaim your government, reclaim your Constitution and take control of your "servants"--after all, you pay them to do this to you.

So be it.

I hope you will also take note that you allowed a bill called H.R. 4079 to pass. That is the Federal Emergency Management Agency (FEMA) authorization. This is THE tool which can and will be used to establish the Police State. This law passed under the guise of other numbers such as Public Law 101-647 and S.B. 2834. You will find the wording is ambiguous to protect the guilty but interpretation will be right on party-line.

This bill can and will declare a state of national emergency **for five years** and allows FEMA to literally take over local, state, and federal government. **THIS MEANS THAT THE CONSTITUTION WOULD BE SUSPENDED.** One clause eliminates the 4th Amendment and another eliminates the 8th Amendment to that wondrous Constitution. The diversion will be created by arguments over these two provisions which will result in a compromise--**while allowing the declaration of the 5-year state of national emergency to move right through the whole congress and be signed into law. At that point, dear ones--you HAVE the NEW WORLD ORDER and your Constitution is GONE!** These hidden conferences are **NOT for PEACE but rather, to line up the enforcement procedures and decide on timing for bringing down the bars.**

**Dear friends, I must remind you of something--you are not in danger from any "little gray aliens from out-there!" You are being destroyed by the vipers right within your air-space. If you fall for the shell game that is going to be laid on you--you are in grave error. What have you done to stop this insanity? Will you hang yellow ribbons for the Constitution? You are set for the kill and you are the "game" to be killed. Will you heed the warning?**

# Zionism is not Judaism

**By A.N. Other.**

As the farcical Middle East Peace Conference in Madrid reveals divisions deeper than ever between the Zionists and the Arabs, Palestinians and Syrians, former Irgun terrorist now Prime Minister Yitzhak Shamir is loudly proclaiming "Israel's right to exist" (in Palestine); this in the face of every piece of evidence that the man who was responsible for the murder of Lord Moyne and Count Folcke Bernadotte, DOES NOT SPEAK FOR THE JEWISH PEOPLE WHICH HE FALSELY PURPORTS TO DO.

Jewish religious leaders have proclaimed that they do not need a homeland, and cannot have a homeland until after the return of their Messiah. Therefore, for Prime Minister Shamir to shout from the rooftops that he is fighting for the right of Israel to exist and thereby implying that he is a noble and doughty fighter for the Jewish people, is totally false and without merit.

In the 1960's on the orders of Stalin, Marxism began to be discarded completely. Thereafter Communism was the only ideology preached in Russia. Prime Minister Shamir ought to take a leaf out of Stalin's book and stop talking about Israel as "the Jewish state" and call it by its proper name, i.e., THE ZIONIST STATE. As a Zionist state, Israel has no right to exist in the ancient land of Palestine.

Prime Minister Shamir is the successor to mobster Meyer Lansky, whose connection to David Rockefeller ran through the "Mary Carter Paint Company" (a laundry situated in the Bahamas to wash gambling and drug money), organized crime-linked New Jersey banker Robert Ferguson, Armand Hammer, whose father was a card carrying member of the Communist Party all of his life, Sam Bronfman, Shaul Eisenberg, Louis Boyar, Sam Rothberg, "Doc" Stacher (all well-known mobster associates of Lansky), Arnold Rothstein, and Raphael Recanati of the Black Nobility of Venice, banker and reputed controller of the Israeli mafia. NOT A SINGLE ONE OF THE FOREGOING COULD CLAIM TO BE RELIGIOUS JEWS, nor have they ever done so except with the purposes of concealing their true aims which have nothing in common with Judaism.

The Zionist state of Israel was born out of the Irgun, Haganah and Stern terrorist gangs responsible for murdering 600 Arabs at Der Yassin and then dumping their bodies in wells in the area to poison the water supply and frighten the Arabs off their land. Begin and Shamir took part in these terrorist actions for and on behalf of "Eretz Israel--Greater Israel" which should read GREATER ZIONISM.

The Irgun, Stern and Haganah terrorist gangs were largely made up of GODLESS atheist Jews from Russia who had served Bolshevism so well. They were NEVER followers of the Judaic religion--they were NOT religious Jews. Their amoral murderous conduct during the Bolshevik Revolution assures us that their ideas and beliefs were not those of Western religious Jews. They were Communists of the worst stripe, trying to create a "blood and soil" country for INTERNATIONAL ZIONISM. From the very outset, the leaders of religious Judaism denounced them with sound and fury. The leaders of Judaism realized that they were merely being used as pawns in the game to populate Palestine and thereby create a quasi-"homeland" for Jews, a homeland which they neither wanted nor accepted. The fact that Zionism twice had to

turn to "blood and soil" countries, Germany and then Russia, within the last 61 years to enlist the aid of those powers to drive Jews out of Europe, speaks for itself. Any alliance with Jews was merely a marriage of convenience in order to firmly establish "Eretz Israel", i.e., Greater Zionism.

Those Zionists of the Irgun, Haganah and Stern gangs then "went straight" by forming the Likud and Herut political parties. Their physician, "Doctor Ruth" did the same thing, she dropped her terrorist past and became a celebrity of gutter below-the-belt toilet talk shows on American television. These are the people, NOT THE RELIGIOUS ORTHODOX JEWS, whom Prime Minister Shamir says have "the right to exist" on land that does not belong to them.

Israel was from the very inception a creation of British intelligence, illegally constituted by Zionist Lord Rothschild and then shepherded and nurtured by such notables as the legendary Captain Hill of the SIS, and a man who perverted the course of the United States, destiny, Sir William Stephenson whose espionage deeds favoring the British during WWII and his subsequent involvement with the murder of President John F. Kennedy cannot be included in this paper.

"Doc" Stacher made the Hilton Hotel in Tel Aviv his base for fund raising for the Zionist State. He sent Tibor Rosenbaum to Switzerland to establish Banque du Credit International (BCI) in 1967. BCI was established with funds provided by World Commerce Bank of Nassau, Bahamas, whose CEO was Lansky's close friend Alvin Malnik and his number two man, Sylvan Ferdman, had a seat on BCI's board.

None of this trio even made a pretense at being orthodox or religious Jews. They were well known as leading mobsters. Louis Boyar, who is mentioned a number of times in this series of articles, added his expertise in fund raising. Boyar was a noted gold smuggler based in San Francisco, who because of his Zionist fund raising efforts, was made a special advisor to Golda Meier. The fund raising efforts were coordinated under the title "Project Independence".

Orthodox religious Jews distanced themselves from these efforts, so that eventually the Zionists had to turn to the Christian evangelicals and fundamentalists to preach the gospel of a Zionist state in Palestine. This led former Prime Minister Begin to say that the best fund raisers in America for Israel were not Jews, but Christians.

In 1934 Zionist bootlegger Samuel Bronfman was appointed chairman of a Zionist project, "National Jewish People Relief Committee of Canada" and in 1939 Canadian Zionists made Sam head of the "Jewish Colonization Association", whose aim and object was to force Russian Jews to immigrate to Palestine.

Theodor Herzl, "father" and promoter of Zionism, would have been proud of the weird bedfellows his philosophies subsequently attracted. In 1896 the Viennese booksellers Bretenstein published a small book in an English translation of the German book entitled DER JUDENSTAAT - "The Jewish State, An Attempt At A Modern Solution of the Jewish Question". The book's author was Theodor Herzl, editor of the influential *Neue Freie Presse*, a leading European paper read in all the coffee shops in Vienna.

Here in this small book we find the founding of NON-JEWISH POLITICAL ZIONISM. The give-away of the intentions of Zionism came from Herzl himself "...I consider the

Jewish question NEITHER A SOCIAL OR RELIGIOUS ONE, EVEN THOUGH IT SOMETIMES TAKES THESE AND OTHER FORMS. IT IS A NATIONAL QUESTION."

Herzl was a Khazarian from Budapest, to where the largest group of Khazarians had fled after the defeat of their empire at the hands of the Rus. There was very little if any of the Jewish religion in the Herzl family. His history shows that he was a clever lawyer specializing in Roman Law and a gifted writer. THE JEWISH QUESTION WAS NOT HIS MAIN CONCERN, which was to be a German writer of note. His closest friend when he was 36 years old was Heinrich Kassa who described Herzl as "intolerant, inhumane, domineering and hyperegoistic, a man who thinks in radical terms", characteristics which fit Prime Minister Shamir like a glove.

One of Herzl's "radical solutions" was to appeal to the Holy Roman Catholic Church for help in leading Jews to voluntary and honorable conversion to Christianity. So much for his concern for religious Jews.

The book came as a result of his frustration with the Jewish Baron von Hirsch as recorded in Herzl's Zionist diary which he kept from 1834 up until the time of his death. Herzl had approached Baron von Hirsch with the idea of a "Return To The Promised Land" proposal. The baron refused to have any part of it. Herzl thereupon wrote in his diary that he would launch a, national loan to pay for migration to Palestine. It would be a national not a Jewish or religious effort, he wrote. BY MAY 1896 HERZL HAD NOT YET MADE UP HIS MIND WHETHER THE PROMISED LAND WAS TO BE ARGENTINA OR PALESTINE.

"Argentina is a fertile country, sparsely populated and with a temperate climate; it would be in the highest interests of the Republic of Argentina to cede to the Jews a part of its territory." From this it is clear that his original "homeland" had nothing whatsoever to do with RELIGION PER SE. What Herzl was trying to do was establish a SECULAR state for Jews, which noted Jewish religious leaders were quick to point out was a profanity against "God" and would remain so until the return of their Messiah.

Herzl organized the first Zionist world congress and published its official organ "Die Welt" (The World). He was assisted by two Khazarians, Max Nordau and David Wolffsohn, who then founded "The German Lovers of Zionism" society. Nordau went on to play a leading role in the promotion of Zionism. In 1897 Herzl decided to call for a world congress of Zionism.. Orthodox Jews would have nothing to do with it. Religious Jews in Vienna and Munich said "NO" to Herzl's request to host the congress. The Ashkenazim delegates from Russia didn't want to go to Paris. Jewish religious leaders said there was NO JEWISH PROBLEM IN EUROPE, AND THEY WANTED NO PART IN CREATING ONE.

Finally, it was agreed that Basel in Switzerland should host the congress. This does not surprise me for Switzerland has long been the home and sounding board for revolutionaries of every stripe. French Revolution leaders Danton and Marat came from Switzerland; Lenin was later to preach his poison from there. Of the delegates, Herzl described them thus: "I stand in command of beggars, striplings and sensation mongers ... Nevertheless this army would do the job if success were in sight." Not a single word here about orthodox religious Jewry playing any part in the congress. None were invited, and neither would they have attended. They wanted no part in creating a Jewish problem.

In one of two of his addresses, Herzl said that "We have returned home. Zionism is the return of Judaism even before a return to the Jewish homeland." Herzl did not tell the delegates that up until a few weeks before the congress he had not yet quite made up his mind whether the "Jewish homeland" was to be Argentina or Palestine. One wonders why he did not settle on Russia, where Zionism was already a semi-legal organization thanks to financial pressure on the Czar by the Rothschild Paris banks.

Out of this congress came the blueprint for future action, which became known as "The Protocols of the Learned Elders of Zion."

The public platform of the congress was stated as follows: "Zionism seeks to secure for the Jewish people (a palpable lie) a publicly recognized secure home in Palestine" (Herzl had in the meantime been told that Argentina scoffed at his proposals and would never cede land to him AT ANY PRICE). For the achievement of this purpose the congress envisages the following methods: (1) The programmatic encouragement of the settlement of Palestine with Jewish agricultural workers, laborers and those pursuing other trades. (Not a word about RELIGIOUS ORTHODOX JEWS). (2) The unification and organization of all Jewry into local and wider groups in accordance with the laws of their respective countries.

(Again, no mention of religious Jews). (3) The strengthening of Jewish self-awareness and national conscience. (Notice not a word about the Judaic religion). (4) Preparatory steps to be taken to obtain the consent of various governments necessary for the fulfillment of the aims of Zionism.

Nothing was said about approaching the PALESTINIANS whose ancient lands the Zionists now proposed to seize. As we know, all the Zionists had to do was approach the chief Zionist in England, Lord Rothschild, who then ordered his lackey, Arthur Balfour to draw up a declaration without once consulting the people of Palestine, permitting a Zionist influx into their land. This is the basis of Prime Minister Yitzhak Shamir's angry demands made in Madrid that the Arabs "recognize the right of Israel to exist". As we have clearly been shown, NO SUCH RIGHT EXISTS.

Previously we have shown how out-raged religious Orthodox Jews were when they found out what the Zionists were up to in their name. Zionism was roundly denounced by religious Jews around the world. Determined efforts were made to show the world that Israel was a bandit state that would only bring trouble and grief to the Jewish people. We shall now return to some of the public condemnations of Zionism made by orthodox religious Jewry.

In the *New York Times* of April 26, 1974, there appeared this announcement: "AND WHAT ABOUT THE JEWS?"

"The Israelis are very much concerned with their security, the Arab countries demand the return of occupied lands, the Palestinians assert their right of self-determination but what about the needs and rights of the Jews? (Note the distinction between Arabs and Palestinians, Israelis and Jews, which this writer has always scrupulously observed.)

"Those Jews in the Holy Land in particular who have always rejected the concept of a Zionist state, who have protested the use of the sacred name of Israel ... who have refused to take part in any Israeli election, who in accordance with a rabbinical ban have stopped visits to the Wailing Wall since the Zionist occupation of the Holy City, who have refused to accept Israeli citizenship, who have declared to the British mandatory regime and to the League of Nations that they cannot possibly be represented by Zionists or a Zionist government, who have in fact been stateless for a generation and who have been consistently ignored by the United Nations.

"This year marks the 50th anniversary of the murder by Zionist assassins of the great and dedicated Jewish statesman Professor Jacob I. Dehan in front of the Shaare Zedek Hospital where he had first attended the daily Prayer services. Despite frequent Zionist threats, he had courageously continued to lead the fight against Zionism.

"This sad anniversary is a time for Jews to rededicate themselves to the elimination of Zionism and its disastrous deeds. The reason for existence and firm foundation of the Jewish people rests on its Divine commandments whereas the haughty, empty sovereignty of the Zionist state is a DIRECT NEGA-TION OF THE IDEALS AND PRINCIPLES OF THE JEWISH PEOPLE."

Could anything be clearer? Here we have religious Jewish leaders DE-NOUNCING the predecessors of Prime Minister Shamir and telling them that ZIONISM HAS NO RIGHT TO EXIST IN PALES-TINE AND THAT HE DOES NOT RE"PRESENT JUDAISM. To further establish this very material point, we extract from an article which appeared in the *New York Times* of April 25, 1977:

"We are talking about the FAILURE of an idea and an ideology... because financially and politically the Zionists are still doing fine. When the first Zionists entered the Holy Land, they ridiculed the poor, pious Jews then living there as ChalukaJuden, (welfare Jews) because they were supported in part by donations from abroad. The Zionists were going to be different: they would work hard and become self-reliant and proudly independent.

"Now, several generations later, the Zionist establishment has be-come THE LARGEST WELFARE CLIENT OF THE UNITED STATES, to the tune of thousands of millions of dollars. The requests of the Zionist Lobby command top Priority on Capitol More and more Jews are finally recognizing Zionism as a complete falsification and perversion of Judaism... To the people of the Torah, a Jewish state before the coming of the Messiah is not a cause for celebration but a reason for protest and mourning ... Under relentless Zionist pressure, dissent is stifled in Jewish communities. How much longer will the Jews be saddled with the Zionist yoke; how much longer will they tolerate the misuse of the holy name of Israel and brazen usurpation of power by Zionism?"

Need anything further be said that Zionism is not Judaism? Indeed we could write volumes on the subject, but we believe that we have made our point. Christian evangelicals and fundamentalists, stop playing the Zionist game; stop being their pawns. The "father of Zionism" and his inheritors Prime Minister Shamir and the whole Zionist gang stand totally discredited. Does the state of Israel have a right to exist on stolen and plundered Palestinian and Arab lands? We think not, and our viewpoint is shared by the religious orthodox Jews of this world in whose name Shamir falsely claims to speak.

# Protocols of Zion

## PROTOCOL NO. 15

**One-day coup d'etat (revolution) over all the world. Executions. Future lot of goyim-masons. Mysticism of authority. Multiplication of masonic lodges. Central governing board of masonic elders. The "Azev-tactics." Masonry as leader and guide of all secret societies. Significance of public applause. Collectivism. Victims. Executions of masons. Fall of the prestige of laws and authority. Our position as the Chosen People. Brevity and clarity of the laws of the kingdom of the future. Obedience to orders. Measures against abuse of authority. Severity of penalties. Age-limit for judges. Liberalism of judges and authorities. The money of all the world. Absolutism of masonry. Right of appeal. Patriarchal "outside appearance" of the power of the future "ruler". Apotheosis of the ruler. The right of the strong as the one and only right. The King of Israel. Patriarch of all the world.**

When we at last definitely come into our kingdom by the aid of coups d'etat prepared everywhere for one and the same day, after the worthlessness of all existing forms of government has been definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century), we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will also be punished with death; those of them which are now in existence, are known to us, serve us and have served us, we shall disband and send into exile to continents far removed from Europe. *In this way we shall proceed with those goy masons who know too much; such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the centre of our rule.*

Resolutions of our government will be final, without appeal.

In the goy societies, in which we have planted and deeply rooted discord and protestantism, the only possible way of restoring order is to employ merciless measures that prove the direct force of authority: no regard must be paid to the victims who fall, they suffer for the well-being of the future. The attainment of that well-being, even at the expense of sacrifices, is the duty of and kind of government that acknowledges as justification for its existence not only its privileges but its obligations. The principal guarantee of stability of rule is to confirm the aureole of power, and this aureole is attained only by such a majestic inflexibility of might as shall carry on its face the emblems of inviolability from mystical causes--from the choice of God. *Such was, until recent times, the Russian autocracy, the one and only serious foe we had in the world, without counting the Papacy.* Bear in mind the example when Italy, drenched with blood, never touched a hair of the head of Sulla who had poured forth that blood; Sulla enjoyed an apotheosis for his might in the eyes of the people, though they had been torn in pieces by him, but his intrepid

return to Italy ringed him round with inviolability. The people do not lay a finger on him who hypnotizes them by his daring and strength of mind.

Meantime, however, until we come into our kingdom, we shall act in the contrary way: we shall create and multiply free masonic lodges in all the countries of the world, absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders. The lodges will have their representatives who will serve to screen the above-mentioned administration of masonry and from whom will issue the watchword and programme. In these lodges we shall tie together the knot which binds together all revolutionary and liberal elements. Their composition will be made up of all strata of society. The most secret political plots will be known to us and will fall under our guiding hands on the very day of their conception. *Among the members of these lodges will be almost all the agents of international and national police* since their service is for us irreplaceable in the respect that the police is in a position not only to use its own particular measures with the insubordinate, but also to screen our activities and provide pretexts for discontents, *et cetera*.

The class of people who most willingly enter into secret societies are those who live by their wits, careerists, and in general people, mostly light-minded, with whom we shall have no difficulty in dealing and in using to wind up the mechanism of the machine devised by us.

If this world grows agitated the meaning of that will be that we have had to stir up in order to break up its too great solidarity. *But if there should arise in its midst a plot, then at the head of that plot will be no other than one of our most trusted servants.* It is natural that we and no other should lead masonic activities, for we know whither we are leading, we know the final goal of every form of activity whereas the *goyim* have knowledge of nothing, not even of the immediate effect of action: they put before themselves, usually, the momentary reckoning of the satisfaction of their self-opinion in the accomplishment of their thought without even remarking that the very conception never belonged to their initiative but to our instigation of their thought...

The *goyim* enter the lodges out of curiosity or in the hope by their means to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for the emotion of success and applause, of which we are remarkably generous. And the reason why we give them this success is to make use of the high conceit of themselves to which it gives birth, for that insensibly disposes them to assimilate our suggestions without being on their guard against them in the fullness of their confidence that it is their own infallibility which is giving utterance to their own thoughts and that it is impossible for them to borrow those of others.... You cannot imagine to what extent the wisest of the *goyim* can be brought to a state of unconscious naivete in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest ill-success, though it be nothing more than the stoppage of the applause they had, and to reduce them to a slavish submission for the sake of winning a renewal of success.... *By so much as ours disregard success if only they can carry through their plans, by so much the goyim are willing to sacrifice any plans only to have success.* This psychology of theirs

materially facilitates for us the task of setting them in the required direction. These tigers in appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of *collectivism*. . . . They have never yet and they never will have the sense to reflect that this hobby-horse is a manifest violation of the most important laws of nature, which has established from the very creation of the world one unit unlike another and precisely for the purpose of instituting individuality. . . .

If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the *goyim* is undeveloped in comparison with our mind? This it is, mainly, which guarantees our success.

And how far-seeing were our learned elders in ancient times when they said that to attain a serious end it behoves not to stop at any means or to count the victims sacrificed for the sake of that end. . . . We have not counted the victims of the seed of the *goy* cattle, though we have sacrificed many of our own, but for that we have now already given them such a position on the earth as they could not even have dreamed of. The comparatively small numbers of the victims from the number of ours have preserved our nationality from destruction.

Death is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs than to *ourselves, to the founder of this affair. We execute masons in such wise that none save the brotherhood can ever have suspicion of it, not even the victims themselves of our death sentence, they all die when required as if from a normal kind of illness. . . .* Knowing that even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of masonry the very root of protest against our disposition. While preaching liberalism to the *goyim* we at the same time keep our own people and our agents in a state of unquestioning submission.

Under our influence the execution of the laws of the *goyim* has been reduced to a minimum. The prestige of the law has been exploded by the liberal interpretations introduced into this sphere. In the most important and fundamental affairs and questions judges decide as we dictate to them, see matters in the light wherewith we enfold them for the administration of the *goyim*, of course, through persons who are our tools though we do not appear to have anything in common with them--by newspaper opinion or by other means. . . . Even senators and the higher administration accept our counsels. The purely brute mind of the *goyim* is incapable of use for analysis and observation, and still more for the foreseeing whither a certain manner of setting a question may tend.

In this difference in capacity for thought between the *goyim* and ourselves may be clearly discerned the seal of our position on the Chosen People and of our higher quality of humanness, in contradistinction to the brute mind of the *goyim*. Their eyes are open, but see nothing before them and do not invent (unless, perhaps, material things). From this it is plain that nature herself has destined us to guide and rule the world.

When comes the time of our overt rule, the time to manifest its blessings, we shall remake all legislatures, all our laws will be brief, plain, stable, without any kind of interpretations, so that anyone will be in a position to know them perfectly. The main feature **which will run right through them is submission to orders**, and this principle will be carried to a grandiose height. Every abuse will then disappear in consequence of the responsibility of all down to the lowest unit before the higher authority of the representative of power. Abuses of power subordinate to this last instance will be so mercilessly punished that none will be found anxious to try experiments with their own powers. We shall follow up jealously every action of the administration on which depends the smooth running of the machinery of the State, for slackness in this produces slackness everywhere; not a single case of illegality or abuse of power will be left without exemplary punishment.

Concealment of guilt, connivance between those in the service of the administration--all this kind of evil will disappear after the very first examples of severe punishment. The aureole of our power demands suitable, that is, cruel, punishments for the slightest infringement, for the sake of gain, of its supreme prestige. The sufferer, though his punishment may exceed his fault, will count as a soldier falling on the administrative field of battle in the interest of authority, principle and law, which do not permit that any of those who hold the reins of the public coach should turn aside from the public highway to their own private paths. *For example: our judges will know that whenever they feel disposed to plume themselves on foolish clemency they are violating the law of justice* which is instituted for the exemplary edification of men by penalties for lapses and not for display of the spiritual qualities of the judge.... Such qualities it is proper to show in private life, but not in a public square which is the educationary basis of human life.

Our legal staff will serve not beyond the age of 55, firstly because old men more obstinately hold to prejudiced opinions, and are less capable of submitting to new directions, and secondly because this will give us the possibility by this measure of securing elasticity in the changing of staff, which will thus the more easily bend under our pressure: he who wishes to keep his place will have to give blind obedience to deserve it. In general, our judges will be elected by us only from among those who thoroughly understand that the part they have to play is to punish and apply laws and not to dream about the manifestations of liberalism at the expense of the educationary scheme of the State, as the *goyim* in these days imagine it to be. . . . This method of shuffling the staff will serve also to explode any collective solidarity of those in the same service and will bind all to the interests of the government upon which their fate will depend. The young generation of judges will be trained in certain views regarding the inadmissibility of any abuses that might disturb the established order of our subjects among themselves.

In these days the judges of the *goyim* create indulgences to every kind of crimes, not having a just understanding of the office, because the rulers of the present age in appointing judges to office take no care to inculcate in them a sense of duty and consciousness of the matter which is demanded of them. As a brute beast lets out its young in search of prey, so do the *goyim* give their subjects places of profit without thinking to make clear for them what purpose such place was created. This is the reason why their governments are being ruined by their own forces through the acts of their own administration.

Let us borrow from the example of the results of these actions yet another lesson for our government.

We shall root our liberalism from all the important strategic posts of our government on which depends the training of subordinates for our State structure. Such posts will fall exclusively to those who have been trained by us for administrative rule. To the possible objection that the retirement of old servants will cost the Treasury heavily, I reply, firstly, they will be provided with some private service in place of what they lose, and, secondly, I have remarked that all the money in the world will be concentrated in our hands, consequently it is not our government that has to fear expense.

Our absolutism will in all things be logically consecutive and therefore in each one of its decrees our supreme-will will be respected and unquestionably fulfilled: it will ignore all murmurs, all discontents of every kind and will destroy to the root every kind of manifestation of them in act by punishment of an exemplary character.

# Introduction to Commander Hatonn

**10/31/91 /t2 HATONN**  
**THURSDAY (HALLOWEEN)**

Hatonn is: Gyeorgos Ceres Hatonn-Aton. I write through a "translator"; communications through pulsed short-wave transmission. This is not "psychic channeling nor hocus-pocus". This is purely "physics" of frequency transmission, receiver termination of transmission and translation of the signal into the English language.

I am Commander of the "Phoenix Project", serving the Command of that ONE whom you refer to as "The Messenger, Christos, God, etc." The "Command Fleet" is from the sector Pleiades from which originated your ancestral lineage. My mission is in preparation for the return of the "God" to reclaim His property. He went forth and has prepared safe passage and "a place" for each of you who would come within His shelter. The choice is individual for force is not of God and you have free-will for all choices.

Our direct commission is to set the records into Truth of content of historical facts for the planet is ending one cycle and beginning a new and wondrous cycle of experience. This gives cause for you of the human species to make changes concurrent with the greater physical changes of the planet. Yours will be a "spiritual change" and may or may not include physical translation. Each will be given choice of direction and translation.

The purpose of these writings and speakings is to allow the Truth to be put forth unto the masses who would wish to receive them. The JOURNALS also serve as historical documentation of this portion of "history" relative to that which has come before--known and unknown--for whatever life forms and generations to follow this manifested experience.

You come against the wall, so to speak, wherein you all but cross the societal point of no return. You will act to reclaim your human rights or you will fall to the Adversary who, by the way--is that one touted to be the "anti-Christ". You are in the time of, and the action of, Armageddon as recognized from prophecy. It makes no difference to me whether or not you are believing of this information. Truth will stand into infinity and God does not send us, the Hosts, to banter or kibitz with you about the facts of the matter--ours is to present the situation as it is, unto you.

Your "enemy" as to "space aliens" are now all landlocked to your orbiting system. YOU HAVE NO ENEMIES AMONG THE BROTHERHOOD IN SPACE (COSMOS). YOU DO HAVE ENEMIES IN YOUR "SPACES" BUT THEY ARE VERY EARTH-ORIENTED AND ORIGINATED. All of this is explained in depth in the writings--this message is for identification of myself and my coworkers who bring information and assistance at this time of evolution.

We bring the unfolding and uncovering of the actions upon your globe so that you can awaken unto your plight--with "reason" and "proof". It is up to you as to what action you take for our commission is to respond to you who have asked input and assistance. We will DO nothing FOR you; we will serve and inform with "HOW TO" as we move along through the maze of incredible deceit. You have NOTHING TO FEAR from us of the Lighted Brotherhood of the Cosmos for we work and act only within the Laws of God and those of The Universal Creation (Natural). Your would-be-"Kings" (rulers of the globe) have heinous plans to injure you and place blame upon the Cosmic Brotherhood--what will be claimed is a blatant LIE. You are "People of the Lie" and unless you awaken and reclaim your heritage as nations and people--you shall fall--no more and no less.

Massive efforts are put forth to stop our presentations--so be it. We have naught to lose--YOU HAVE EVERYTHING TO LOSE, INCLUDING YOUR SOULS AS WELL AS YOUR LIVES PHYSICAL. My commission is to "inform" you and I shall do so to the best of my allowed abilities for I (we) are not allowed by Cosmic Law to interfere or intervene except in specific and delineated instances which have been covered in lengthy dialogue prior to this.

I serve aboard the Command Ship, *Phoenix*, and I head the Fleet Command. I am Commander of the United Federation Fleet, Intergalactic Federation Command. I link with other Commands, i.e., the referenced "Ashtar Command", only in time of imminent planetary destruction at which point that Command will be in charge of any evacuation of general nature. Our Command will bring all of God's people into security. I have no responsibility to the "adversary" nor his followers and no evil shall be brought into the places of Lighted God. Evil is a manifestation of "human" and we do NOT allow evil within our orderly God-revering societies. This does not, however, mean that ones who are in deciding will not be taken into a placement which can preserve "soul" survival.

I am not here to ask your permission for anything; I care not what any aspect thinks or believes. I have a mission of God and I shall see to it. You may join with me or deny me for it makes not one iota of difference. I do not "sell" anything--not this paper nor any other item. I have a commitment and obligation and I will see to it. You may do that which you will--agree or disagree. I do, however, suggest that all read with an open mind to the "possibilities" herein for you are told by all corners of your intelligence that you are in a traumatic time of change--you might well be advised to look into the possibility of the Truth of this information. I chair the Cosmic Council relative to this Universal Sector and I believe you will find that I am not over-ruled. He who denounces my person had best be carefully looked at through the intent of wisdom for I meet with any man and/or energy who claims my falseness. I find that no one ever, somehow, wishes to participate in that invitation for confrontation--do you not find that strange?

You will find most of the "New Age" groups and speakers fully in alignment with the "New World Order--Global Government". This will be denied for they do not realize the subterfuge and "sucking in" of the innocent and ignorant. I suggest you pay close attention for you are on the brink of losing your world--not just your freedoms.

I shall continue to bring to your attention the cover-ups as they occurred and still occur. God has no mysticism nor hidden agenda--God is open and the only "mystery" is that which you simply do not yet understand--that too, He gives unto you openly and freely. There are no secret rituals or hidden doctrines, royal titles or elite placements. If you find any of these things in that which YOU follow--I suggest wisdom in discernment of your choices. If you give of your Power unto another according to his decrees--you have forfeited your Power forever. God asks that you accept and take your POWER in HIS name that you can become one within His Grace and reclamer of that which is your rightful heritage.

I feel that we must begin to publish this identification and purpose for we are swamped with new readers and it is magnificently important that you KNOW who we are and that which we are about--for we are about our Father's business. Again, you have nothing to lose by gaining TRUTH and insight--but you do have everything to lose in the physical and soul realms by remaining ignorant at the hands of the deceivers who would hide Truth from your eyes and ears. So be it. I salute you who assume responsibility. I pity you who do not and have great compassion as we pass on into the more compressing times ahead, as you perceive the journey. I offer my hand in love and brotherhood and I give you all that I have and am. Accept or deny my person--but I suggest you look into the possibility that what we bring "might" well be Truth and you will come to understand. To deny the robber, who has just bound and gagged you, is to be a stupid fool. The better part of wisdom is to look, discern and then act. God never limits your investigation into all facets of the Truth--does your "minister"? Does your controlling hierarchy? I suggest you ponder this well.
